Proceedings

Johnston Baptist Association Annual Meeting October 21, 1991

The opening meeting of the 89th Annual Session of the Johnston Baptist Association was held at Beulah Baptist Church, Route 1, Newton Grove, North Carolina. Pandora Tinkle provided pre-session music.

The meeting was called to order by Moderator Jeff Clark at 7:15 p.m., October 21, 1991.

Scott Rummage led the congregation in singing "Come Thou Fount." Rev. C. H. Lee, pastor of Beulah Baptist Church, gave the welcome and announcements. Messengers were asked to pass in the registration forms.

Jeff Clark moved the adoption of the Order of Business. The motion was passed. Norman Band spoke to the theme interpretation, "Churches Ministering to Win and to Disciple." He referred to 1 Peter 4 and Matthew 28:18-20 and encouraged the congregation to be reminded that God has called us out for winning disciples. God's mandate to us all is to "go and make disciples."

Horace Ricks, Director of Missions, gave his report. Announced that for the first time in 13 years, a special offering will be taken at Thanksgiving for the Children's Home. The state goal is $500,000. He reported on the work of the Medical-Dental bus program, the Sports Program, Migrant Ministry, and Church Development. He reported that the partnership

work in Brazil will continue through next year and encouraged churches to give toward this cause. The Johnston Baptist Association General Board voted to send $3,500 to purchase needed materials for chapels. These funds were to be donated by the churches. He also thanked the churches for their participation in the Christmas in August project. The World Mission Conference is scheduled for April 17-24, 1994. Churches will need to sign up for participation in this conference. Thirty-two churches participated in the last conference.

Niles Compton gave a report on his mission trip to Brazil. He was enthusiastic about his experience - indicated the interest of the people to learn about Christ. He thanked the Association for the financial support given to him and requested that we all pray for those going on these missions.

Jean Hinton gave a report on the Convention General Board. She serves on the Youth and Campus Life Committee. She talked about the participation of black students in an effort to begin Baptist Student Unions on their campuses. She reported on the need for expansion at Baptist Hospital, the Boys Camps at Monroe that will be constructed for boys with behavioral problems at our Children's Homes, and announced that mission offerings were up from last year except Annie Armstrong. She emphasized that mission giving is our life-line and requested prayer for 12-14 pastors who are attempting to minister to 200,000 Hispanics.

Prior to the evening speaker, Scott Rummage led the congregation in singing "Amazing Grace." The annual speaker was Robert Cooke, pastor at Clydes Chapel, who took his message from Acts 2:42-47 and talked about the saving of the 3,000. He encourages the congregation to surrender all and possess the characteristics of being fervent, having faith and having fellowship as the early church did.

Leslie Parrish led in the benediction.

WHEREAS, the neighborhood in which the Associational Office is located is less and less safe, and

WHEREAS, many night meetings are held at the office, involving women and men, and

BE IT RESOLVED that this Assembly, the Johnston Baptist Association, meeting on October 22, 1991, expresses its concern for the safety of its employees, volunteers and friends and that the Officers and Building Committee are directed to consider greater security measures, perhaps to include an alarm system and parking lot attendants at night meetings; and

BE IT FURTHER RESOLVED that copies of this resolution be forwarded to the Mayor, Town Council and Police Chief of Selma, N.C. and to The Johnstonian-Sun newspaper.

Respectfully submitted,
Robert L. Cooke

Also, Robert Cooke presented a Resolution recognizing the safety of employees and visitors to the JBA office. The Resolution also directed the Officers and Building Committee to consider greater security measures, including an alarm system and parking lot attendants at evening meetings.

A Resolution of Appreciation

Director of Missions Report

The Johnston Baptist Association exists to do several things:

1. To be sensitive to the needs of pastors, church staff and the churches;
2. To assist the churches to resource their programs;
3. To coordinate mission efforts, whether local, national or overseas;
4. To coordinate cooperative ministries such as Simultaneous Revivals, World Mission Conferences and other local or convention-sponsored programs;
5. To be an encourager, a partner and a counselor to those who seek us out;
6. To be sensitive to the need for Christian Social Ministries, and, in so far as funds are available, to assist persons in their needs;
7. To enlist the cooperation, the funding, and the persons to staff the positions of the association in order to operate a progressive, purposeful and effective program which meets needs, strengthens churches and honors the Lord.

I submit to you that a vast amount of effort is spent every year by your paid and volunteer staff to meet the above stated job goals.

The newest efforts made by the Johnston Baptist Association to meet human needs is the Medical-Dental Ministry. We salute Benson and Clyde's Chapel Churches for hosting the bus in July and August. Preparation for the use of the bus required several months of studying, enlisting a project director, an associate director, the team members and to provide the necessary orientation. Additionally, the host churches needed time to make their preparations. Approximately 60 volunteers were able to minister to more than 100 persons in the two days of ministry. Already we're considering four days of ministry in 1992. Thanks to

all the team members and to all who have given money. The cost thus far has been about $300.

Ministry to the migrants and to others has gone well during the year. In addition to two Hispanic churches, at Benson and Smithfield First, Clyde's Chapel is ministering to migrants during the summer. We salute these three churches. As the churches throughout the association have provided funds, health kits, infant kits, clothing, food and various items you too have shared in the ministry. We are grateful to the Rev. Robin Chapman for his work with us during the year. He has been an invaluable ally, especially during the summer when he was on the association's payroll.

The Brazil Partnership has claimed much time, attention and money this year. Johnston Baptist Association gave money, along with our three partnership sister associations, for two chapels. The association has shared the cost of persons going to Brazil this year. It was necessary that we share the cost so the volunteers can go. Four trips are planned for 1992, two chapels are planned requiring $3,500. From each of the four partnership associations and volunteers, and funds are needed to do the job. We, especially, will need pastors to go to Brazil September and October, 1992.

The Senior Adult ministry has grown during the year. We've held rallies at Bethesda and Wilson's Mills and we thank those churches for hosting the rallies. Our Senior Adult Committee has done well in their planning.

Youth ministry has grown through the leadership of Rodney Hughes and team planning members. Two events are planned for the youth in 1992, and the planning team under the leadership of the Rev. Mike Thompson is planning well.

Space doesn't allow us to say more. But please know that Southern Baptists, N.C. Baptists and Johnston Association Baptists are on the way for the Master. There are obstacles to overcome, and there is much to challenge and inspire us. Let's move forward prayerfully, intentionally, and with dispatch in the work of the churches and of the Johnston Baptist Association.

God bless each of you.

Evangelism Report

II Chronicles 16:9 says, "For the eyes of the Lord run to and fro throughout the whole earth looking for the heart that will be faithful toward Him." That is truly what God is looking for in the '90's from His people that call themselves Southern Baptists. Not only will God be looking for more laity with a faithful heart, but our churches as well will be looking.

Again this year, statewide, we have seen the Lord do great things in the hearts and lives of people through CWT, LES, and WOW. Even reports across our nation are hard to believe at times. Join me in praising the

Lord for His goodness.

In Johnston Association we were able to see many people train themselves to tell the "Good News" of Jesus through LES. This training was put to good use in two communities with the Medical-Dental van, sponsored by the Baptist Men. A witness to our children came when we brought the "Red" team of New Life Ministries to Johnston Association and fourteen children came to know the Lord. This team was the same one who spent two months in Russia spreading the Gospel.

Some changes that are about to be made that you should know about are: Lay Evangelism School (LES) will be known as W.I.N., WITNESS INVOLVEMENT NOW as of January 1, 1992. Some of the training did not change, but some did. For one thing there are only seven weeks of preparation instead of three months. It can be taught in four sessions instead of five, and almost any time schedule can be worked out. The objectives of W.I.N. is to train laity to share their personal testimony along with the Gospel message to a non-Christian as a part of their daily lifestyle in Jesus Christ. It is our aim that all Christians know what Jesus has done for them and how to tell someone else about that experience.

Please allow me to encourage you to continue your service for our Lord as we serve Him together.

Keith Walters

Migrant Ministry Report

We are very grateful to the Lord for the opportunities to serve Him that He has offered this season. To have a successful ministry we must prepare early for the coming season. We did this by requesting assistance from the Home Mission Board with groups of volunteers early in the fall of 1991. We played host to five groups that ranged from a retired couple from Florida to a large group of high school youth from Ohio.

The migrant ministry is one that is carried out in all sections of the area covered by the Johnston Baptist Association. It is impossible to even know where every camp or group of migrants are, much less for a single person to visit each place. We would like to impress upon the churches that they need not have a Spanish speaking member to be able to visit, distribute Bibles and Christian literature, play ball, and use many other creative means to evangelize "every nation" that now lives in their backyard.

Since it is almost impossible to meet every migrant in his camp or home we have chosen to depend on methods that stress special events to draw people to Christ. Among these special events were: an "Encounter" which drew about 100 people in Clyde's Chapel; the Medical-Dental Bus which visited Benson and Clyde's Chapel; evangelical movies seen by approximately 200 people each week in the southern part of the county; a mission Vacation Bible School attended by 70 children and youth in Smithfield. Please communicate with your churches about what part you will play in the "Special Events" of 1992.

We must set good goals in order to do good ministry in the future. One

such goal would be the invitation of six evangelical volunteer groups to work next summer (our responsibility to them might include room and board). Another goal is a regional Spanish revival meeting in June. Each church could consider providing transportation to these meetings at least one night of the revival. A good goal would be to start a recreation program with an eye towards involving 30 to 40 camps in soccer, volleyball, or softball tournaments. We need to meet or surpass our present performance in the distribution of scriptures, health kits, baby kits, snack packs, clothing and other items that speak of our love for others in Christ. The beauty of this last goal is that anyone of any age can take part without speaking Spanish. Please pray about how you and your church will serve the Lord in migrant ministry in 1992.

Robin Chapman,
Migrant Ministry Coordinator, JBA

The Acteen Rally was held at Bethany on March 9. We had 50 present with a love gift of $42.00 for the Kenly Baptist Church. The theme was "Following the Son." They went on a "tropical cruise." They had one new organization at Sardis this year.

The Girls in Action Rally was held at Parrish Memorial on April 13. They took a "Journey to G.A. Land." There were 164 in attendance. Their offering was $154.54 for Migrant Ministry. They brought 50 health kits.

They had a poster contest describing the areas of work done in G.A. They had Anita and David, the ventriloquist team, as their speaker and entertainer. Five new organizations have been started, Shiloh, Micro First, Parrish Memorial, New Life and Hood's Grove.

On April 16 our annual meeting was held at Beulah Church. Zeb Moss, from the Foreign Mission Board who is serving as assistant area director of East Africa, was our guest speaker. Our theme was "Empowered." Mary Brown led us in our prayer time. We had attendance of 93.

The Baptist Young Women had a "Hands on Project" with a family picnic. There were 22 in attendance. In their display of WMU work, they

shared in the involvement of the family in missions. They have three new organizations. They are Pine Level, Sharon and Bethesda.

We had one church, Crestwood, who withdrew from our fellowship. At our annual meeting we recognized ten churches who were distinguished organizations for 1990. They were Carter's Chapel, Cedar Grove, Clayton First (11), Hocutt Memorial (17), Pine Level (4), Princeton (6), Sharon, Watkin's Chapel, White Oak and Wilson's Mills.

Our associational Woman's Missionary Union was a distinguished organization.

Sunday School Report

Your ASSIST Director spent two days in ASSIST training in February, 1991, with the focus of the training being on the improved Sunday School literature coming out in October, 1991. Another emphasis of the training was on the "Breakthrough" theme of Sunday School for the entire Southern Baptist Convention. The theme encompasses the idea that as we teach the Bible in Sunday School, God can break through the teachers and class members to those in our churches and communities who need to be involved in Bible study and to know Christ as their Savior.

A "Literature Preview Workshop" was held at First Baptist, Smithfield, on May 28 for the pastors, church staff, Sunday School directors and teachers from the various churches of the Johnston Baptist Association. Information was given to those attending about the changes they could expect to see in the literature produced by the Baptist Sunday School Board beginning in October, 1991.

The ASSIST director is working to develop a full AssisTeam that will be available to lead workshops in our association for Sunday School teachers and workers as well as to assist individual churches who want help with Sunday School organization or training for various age group leaders.

Associational Missions Development Report

The churches of the Johnston Baptist Association helped to raise money and send volunteers to construct a chapel for the Baptists in Brazil. The J.B.A., along with three other North Carolina associations, sent volunteers to Brazil on three mission trips. The new year holds the same opportunity of involvement as the N.C. and Brazil partnership comes to a close in 1992. If you are interested in giving or going, please contact the J.B.A. office.

Plans are still being made for a World Missions Conference for the year 1994.

I remind you about "Mission Vision '95" as we move into this new church year. It is our hope that each church will use this document as it continues to chart its ministry through 1995. Again we emphasize the objective to organize Missions Development in the local churches. Please call the JBA office and ask for help in organizing Missions Development in your church.

JOHNSTON BAPTIST ASSOCIATION
SENIOR ADULT MINISTRY

We have ten Senior Adult clubs sponsored by the churches in the Johnston Baptist Association. They meet once a month. They have meaningful programs which provides for them--learning experiences, service opportunities and the use of their talents. There is always a need to feel appreciated, loved and useful. The fellowship is good and it all helps them to grow intellectually and spiritually.

The associational Senior Adults have a rally twice a year with excellent programs and fellowship. The attendance is always good.

If you don't have a Senior Adult Club in your church we hope you will start one. Please let the Associational Senior Adult Committee know if we can be of help.

TIME, PLACE, PREACHER REPORT

Your committee respectfully submits the following report: the 1992 associational meeting will be held Monday, October 19, 1992 and Tuesday, October 20, 1992 as set in the association's constitution and by-laws.

Your committee has received invitations from the following: Monday session: Pleasant Grove Baptist Church and Tuesday's session: Hocutt Memorial Baptist Church.

BCH Gives Children A Chance!

For an institution that's 106 years old, Baptist Children's Homes of N.C. (BCH) looks strongly to the future! Three pillars that uphold that futuristic foundation are: 1. The return of the Thanksgiving Offering beginning in Nov. 1991; 2. The success of our "Give a child a chance!" financial campaign, and 3. Baptists' continued support of BCH through the Cooperative Program.

This financial undergirding made it possible for BCH to serve more than 1,200 children and families last year through facilities at 13 locations across the state. Because Baptists cared enough to give, residents like Lynn will go to Wingate College this fall; Chris graduated from UNC-Chapel Hill; Jennifer is in her second year at Haywood Community College and Mark earned a football scholarship to N.C. A&T. Each of these lives proceeds on firm footing because Baptist Children's Homes was there paving their pathway.

Most BCH residents come from dysfunctional families where a single parent, most often a mother, simply is unable to care for her children. Her frustration with life leads to limitless freedom for the children, which leads to troubling behavior. Physical abuse, divorce, alcohol, drugs and truancy mark their young lives.

Baptist Children's Homes provides a safe environment where children learn to name their problems and address them to change behavior. At the same time, willing family members also are addressing their problems with the help of BCH social workers. In many cases, children and families are restored.

BCH's "Give a child a chance!" campaign is raising $11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment. Gifts and pledges through July totaled $9.3 million and response across the state has been overwhelming and heart gratifying.

Last year Baptist Men of N.C. helped construct the new Tommy and Jeanie Eller Chuckwagon at Cameron Boys Camp that was dedicated May 19.

BCH celebrated this spring the 20th anniversary of the founding of Broyhill Home, our western-most campus, in Waynesville/Clyde. With the help of J. E. Broyhill and his family, the home was opened in 1971 on 91 hilly acres. It has capacity for 48 children in group care and for eight girls in emergency care.

In August 1990 BCH began the Gregg Children's Center for before and after school care. The Davidson County program offers security to children of working couples, who now don't have to go home to empty houses.

Children's hopes the world over have been bolstered by the 1991 return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 13-year absence, BCH lost more than $2 million in potential gifts. Our goal this year is $500,000. Because of a partnership established in Dec. with the Baptist Children's Homes of Sao Paulo, Brazil, BCH-N.C. will donate 10% of everything it receives over the $500,000 goal for work in that desperately needy land.

In Aug. 1990, BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. That raises to seven the number of emergency care homes BCH operates. Emergency care, in which a child at risk of abuse or ne-

glect can receive shelter right away, is the service most in demand throughout the state. Children stay a maximum of 60 days while BCH works with the custodian to determine a long-term plan of care.

The Cooperative Program continues to anchor our budget planning from the churches. We urge renewed commitment to cooperative giving amount our N.C. churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives $1.5 million from Cooperative Program receipts each year. This is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

Baptist Children's Homes has a 106-year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to wrap children and families with eternal blessings.

CONVENTION GENERAL BOARD REPORT

The Evangelism Department using the theme "Break Through to People" sponsored summer revivals, baptisms increased and witness teams had a good summer. The two weeks at Caswell were full to capacity. There will be a coach's clinic next year.

In the Sunday School Department there were 37 associations that received recognition for being standard.

The Woman's Missionary Union Department visited all associations in a council meeting setting and were seeking ways of helping our churches do the work of missions.

Our missions committee has been busy. They shared how land at Holden Beach was received and other land was given. This tells us that when we put feet in our faith that God shows us there is a way. We have 12-14 Hispanic pastors in our state for 200,000 Hispanics. Our partnership with New York needs more volunteers. We need to pray for our resort ministry.

In our financial report it showed that the Lottie Moon Offering is up at this time. The Annie Armstrong Offering is down and the State Mission Offering up at this same time last year. Homes and Hospitals looks as if it will be up.

Fruitland reports a good year. They are completing a housing unit for students. This was done by volunteers sponsored by the Baptist Men. This institution is a training school for ministers. It is the last of such schools in the Southern Baptist Convention. They need and have plans for more housing apartments, a new library and student activity center in the future.

BAPTIST RETIREMENT HOMES OF NORTH CAROLINA, INC.

1991: Making Life For Older Adults The Best Of Times

The Baptist Retirement Homes of N.C., Inc. operates four residential facilities for older adults around the state - the Albemarle Baptist Home in the Southern Piedmont, the Western N.C. Baptist Home in Asheville, the Hamilton Baptist Home in Eastern N.C., and the Brookridge Retirement Community in Winston-Salem.

In Asheville, 1991 began with a great deal of excitement. After more than five years of trying to receive state approval to build a nursing care bed addition, the Baptist Retirement Homes was awarded a Certificate of Need for beds for its Western N.C. Baptist Home on Richmond Hill in Northwest Asheville. Currently the only nursing care provided by the Baptist Retirement Homes is the 85 bed nursing care unit at the Brookridge Retirement Community in Winston-Salem. The addition of 100 medicaid certified beds will mean that quality nursing care can be offered to Western N.C. Baptists regardless of their ability to pay for the institutional services that they need.

The 39,000 square foot addition will cost approximately $2.8 million. At the present time, the Baptist Retirement Homes has raised approximately $2 million of the $2.8 million needed to make this long hoped for dream a reality. Baptists across Western N.C. are being urged to help Baptist Retirement Homes meet the financial challenge of building this new unit on Richmond Hill.

In Winston-Salem, the Brookridge Retirement Community completed its second year of operation. Under the leadership of a well-trained and committed Christian staff, the Brookridge Retirement Community's Independent Living area and Health Care Unit are considered among the finest in the state.

In Albemarle and Hamilton, Assisted Living care is provided to Older Adults in residential settings. The Albemarle and Hamilton facilities offer quality care to Older Adults regardless of their ability to pay for the cost of the care they receive . . . a service unmatched by any other church related long-term care institution in this state.

Please support our ministry with your prayers and financial resources. Help us make life for Baptist Older Adults . . . The Best of Times!

North Carolina Baptist Foundation, Inc. Annual Report To Baptist Associations Of North Carolina June 1991

The Board of Directors and the staff of the North Carolina Baptist Foundation are committed to effective leadership in generating increased perpetual financial support of Baptist causes throughout the state, nation and world. With assets approximately $27 million (market value) at the end of the 1990 fiscal year, the income distribution to Baptist causes is significant each year.

Typically, assets are either held as endowments paying interest income in perpetuity to named Baptist causes, or they are held in trust with current income being paid to individuals and future income being paid to Baptist causes in perpetuity.

Earned income distributed to Baptist institutions and mission causes during fiscal year of 1990:	$647,180
Earned income distributed to individuals with Baptist causes named as charitable remainderman during fiscal year of 1990:	$686,124

The staff of the Foundation consists of seven full time employees and two persons who provide part-time service in accounting and legal services. The servicing of individual accounts requires continuous contact with trustors, donors and those designating gifts through Wills. The increased number of requests for assistance in seminars and conferences by churches, associations and individuals has made part-time assistance necessary in regions of the state some distance from the office.

There are continual improvements being made in available charitable estate planning computer software, constant changes in state and federal regulations which affect charitable estate planning and an increased need for technical training and assistance to serve the ever increasing needs of both the development staffs of our institutions and the individuals utilizing the Foundation services. The Foundation continues to provide for these needs to maximize the growth in financial support for Baptist causes.

In 1990, the Foundation moved into a new home. The 6,000 square foot office building was constructed from gifts from individuals and is located on property provided by the Baptist State Convention next to the Baptist Building in Cary. The new facility was occupied in February 1990 and provides much needed space for the work of staff as well as for conferences and meetings. Baptist groups are invited to use the meeting rooms when in the Raleigh/Cary area. We extend an invitation to church groups to call and arrange a visit to the newest building used for the Lord's service by North Carolina Baptists.

The Biblical Recorder

The Baptist world is changing rapidly; some would contend it is for good, while others think it is nothing short of a tragedy.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic, fast-food, everything is disposable age! We often think we know the answers only to discover later we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches and the denomination they comprise, can survive long without an informed, involved constituency which makes corporate decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the Recorder into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. We are steadily adding churches to the CNS program.

The paper focuses more and more attention on North Carolina Baptist with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

The Biblical Recorder, 232 West Millbrook Rd., Raleigh, NC 27609, (919) 847-2127.

State Missions Report

North Carolina Baptists continue to give faithfully to the support of missions in our state. In addition to money received through the Cooperative Program, Baptists gave over $1.6 million last year for the State Missions Offering. This money helps to support missions work from the coast to the mountains in North Carolina. It helps to continue a strong

heritage of doing missions by Baptists in North Carolina, preserving the thrust passed on to us by our forefathers.

The Missions Division of your Baptist State Convention organizes its work through several distinct areas.

Two Area Missionaries serving the western and eastern regions of the state work with local churches and associations for missions and program development.

Associational Development includes working with associations to assist them to achieve their own goals and purposes. In addition, special programs are coordinated for resort ministries, world missions conferences, and church missions development.

Chaplaincy and Language Ministries includes giving support to all Baptist ministers serving as chaplains in North Carolina, working with people in North Carolina whose primary language is not English, ministering to the deaf and giving direction to Baptists ministering in a military setting.

Church Extension starts new churches in the state, provides for growth assistance, offers church loans, directs ministry in multihousing settings, conducts demographic studies and assists associations and churches with community surveys and strategic planning for church growth.

Cooperative Ministries and Seminary Extension includes the work that we do with General Baptists in the state, offering seminary extension courses to many hundreds of students, coordinating work with bivocational ministers and in-service guidance for some of the colleges and universities in the state.

Special Ministries offers ministry to the blind, provides for literacy training, retarded North Carolinians and provides for group training to enable churches to develop their own resources for the meeting of special needs.

These, and many other ministries, are part of what we are doing in North Carolina as we engage in missions at the state level.

N.C. Baptist Hospital Report

The year 1991 is significant in the history of Baptist Hospital - it marks the 50th anniversary of its entering a partnership with the Bowman Gray School of Medicine of Wake Forest University, to form one of the 126 academic medical centers in the nation. Appropriate events have been planned to celebrate this anniversary.

This partnership makes it possible for Baptist Hospital to offer its patients the most advanced technology for diagnosing and treating their health problems. For example, ours is one of the 15 medical centers in the nation involved in clinical trials of a new coronary laser which vaporizes plaque in blocked coronary arteries. We are one of five centers in the U.S. conducting clinical trials in sterotactic radiosurgery, a procedure in which high-energy beams of radiation from a linear accelerator are fo-

cused by computers on brain tumors and lesions to destroy them. This procedure can be done on an outpatient basis. We are one of 24 Comprehensive Cancer Centers in the nation. We Are the designated organ procurement agency for northwest N.C., and we recently received approval to begin performing pancreatic transplants this year. Early in 1992, we expect to open our new Center for Positron Emission Tomography, one of the most advanced radiological services which is capable of measuring the chemical structure of the body. This new diagnostic procedure promises to make possible earlier detection, and hence, earlier treatment of tumors, hopefully, improving the outcome of the treatment.

During the past year, the hospital admitted approximately 22,000 patients, and almost 400,000 persons were treated through the various outpatient services of the Medical Center. These patients came from most counties in N.C., from 32 other states, and from several other countries.

During the past year, Baptist Hospital was re-accredited by the Joint Commission on Accreditation of Health Care Organizations, and the survey team which visited our institution ranked it in the top 10% of hospitals in the nation. Also, according to a recent report from the N.C. Medical Database Commission, average charges for care at Baptist Hospital are 10% below the average charges for similar diagnoses in hospitals statewide, and substantially lower than charges in the other N.C. academic medical centers.

The Pastoral Care Department, which is funded in part through the Cooperative Program, provided Clinical Pastoral Education to 42 students during the past year. The Pastoral Care staff provided more than 54,000 specific ministries to hospital patients, family members, and staff. And, the counseling division provided over 21,700 counseling sessions. The professional staff of the Pastoral Care Department continues to respond to requests for help from churches in conflict, from pastors and their families across the state.

For the first time since 1978, a Mother's Day Offering exclusively for Baptist Hospital Benevolent Care was received in N.C. Baptist churches. At the time this report is being written, results of the Mother's Day Offering appear to be very favorable. The staff and patients at Baptist Hospital are profoundly grateful to N.C. Baptists for this support.

Ordination Committee Report

The Ordination Council met three times in the 1990-1991 church year. We interviewed Mr. David H. Lee, Sr., at the request of the Burnell Baptist Church; Mr. Billy Howell at the request of the Princeton Baptist Church, and Mr. David Simmons at the request of the Hocutt Memorial Baptist Church. All were recommended for ordination to the Gospel Ministry.

We are pleased to report that each of the above demonstrated good

theological understanding, dedication to the calling of the ministry, appropriate gifts and talents and commitment to serving God's people as a pastor.

Thank you, Johnston Association, for the privilege of interviewing these fine candidates. Thank you, Rev. Tony Futurell, Rev. Kenneth Thornton, and Rev. Tom Elliott, for meeting with us, and for your encouragement to these new ministers. Thank you, Burnell, Princeton and Hocutt Memorial Churches, for sponsoring these men and supporting them in their callings. Thank you, Committee on Ordination, for your good attendance and loving spirit.

Annuity Board Of The Southern Baptist Convention

Protection is an instinct each adult has toward his spouse and children. It hurts to see a child fall or a spouse passed over for a promotion. We want to shield loved ones from the hurts of everyday life.

That kind of protection is impossible, but there is financial protection available to ministers that can provide a life-saving margin for his family in the event of his disability or death.

The good news is it costs him nothing if he is an eligible participant in the Church Annuity Plan.

The Protection Section of the Church Annuity Plan is provided by the state convention, and includes several benefits.

These benefits can mean receiving:

- up to $67,500 in special survivor benefits if you die prior to retirement, or while receiving a disability benefit;
- up to $300 a month if you become disabled and unable to perform any gainful employment due to physical or mental incapacity.

Additionally, up to $35 each month can be credited to your retirement income account during your disability and your survivor benefits will remain.

This valuable family protection is funded from Cooperative Program dollars that match dollars contributed to your account by you and your church.

"The Church Annuity Plan offers significant up-front family protection that leaves your dollars free to build your retirement security. It is an important benefit that many ministers overlook in the retirement plan," says Frank Schwall, senior vice president of Member Services.

The average annuitant in North Carolina receives $287.43 per month, up from $234 last year.

North Carolina has 3,396 members making contributions to Annuity Board retirement plans. It is exciting to think about what has been done to help ministers retire with dignity and to have protection as they plan for retirement. Strong efforts have been made to make all of our churches

(and ministers) aware of the opportunities and the need to act on them.

But there is still much to be done! Consider these facts: Small contributions make the annuitant's benefits small: In N.C.

185 receive less than $50
482 receive less than $100
1041 receive less than $200
1338 receive less than $300.

There is a great challenge still before us to help ministers prepare for the future and to help churches be responsible employers.

For more information about enrolling in the Church Annuity Plan, call the Annuity Board's toll free number, 800-262-0511. In North Carolina, you can call or write: Jim Lambert, Administrative Asso. for Minister Support, P.O. Box 1107, Cary, NC 27512-1107, (800-395-5102).

Baptist College Report - 1991

A "new-old" event is about to take place in North Carolina Baptist life: *A Special Committee* !

From time to time we Baptists feel the need to take a hard look at ourselves. We do that through the time-honored practice of asking trusted people to serve on a committee for a year, sometimes two. In 1956, for example, "The Committee of Twenty-Five" began a comprehensive study which eventually embraced all aspects of North Carolina Baptist life. That committee reported to a special session of the Baptist State Convention called for that purpose on May 5-6, 1959. Again, "The Committee of Twenty," appointed in 1967, worked for two years before presenting its comprehensive findings and recommendations to the Convention in November of 1969. Both of these committees provided clarity and guidance for North Carolina Baptists which endured for many years.

New times call for a fresh look at ourselves. The "new times" which have taken shape in the Southern Baptist Convention since 1979 have particular relevance for institutions, agencies, their trustees and the Convention. North Carolina Baptist institutions and agencies have rendered distinguished Christian service for a total of 1,108 years! New times call for a new look by a competent special committee.

In May the General Board approved a 17-member "Institutions Relations Committee." Lamar Brooks, Wilmington, is chairman. Other members are: Jean P. Abernethy, Marion; Dot Allred, Gastonia; Curtis Lee Barbery, Bennett; Harold Bennett, Boone; Don Bolden, Burlington; Caralie Brown, Raleigh; Kathryn H. Hamrick, Shelby; John H. Hewett, Asheville; Milton A. Hollifield, Jr., Stanley; John M. Hough, Jr., Salisbury; James H. Johnson, Candler; Robert B. Poole, Elizabeth City; George W. Pullium, Jr., Knightdale; Hobart Smith, Charlotte; A. Eugene Warren, Charlotte; J. L. Wilson, Winston-Salem. Their report is due in November, 1992.

The "new-old" way of study and thought is the North Carolina Baptist,

tried-and-true way to confront changing times. We thank these 17 good men and women who will help us to shape the future together in harmony. They request and deserve our fervent prayers.

Director of Missions Report

A busy year has been had by the Johnston Baptist Association. It has been a year of expanded ministry. Exciting is a bit mild to describe the work this past year. "To God be the glory, great things He has done."

The year 1992 has been a great year in our North Carolina/Brazil Partnership. More people have gone to Brazil from the Johnston Association than have gone in any year of the partnership. And, there have been others who wanted to go, but couldn't get away from their work for the necessary twelve days. I find it hard to believe that the five-year partnership with Brazil is drawing to a close this year. Not only have our people been a blessing to Brazilian Baptists but they have blessed our lives, too. Many of our people have grown in mission vision through the partnership.

A special thanks to every church which has helped its members financially to go to Brazil. You cooperated beautifully in this effort. Thanks, too, for financial support to the association, making it possible for the association to give financial assistance. In that way every church has been a part of the partnership and your money made it possible for us to go to Brazil to share a witness for Christ.

The Medical-Dental Ministry just bloomed this year. We tripled the amount of ministry done in 1992. Thanks to Annette Woods, coordinator, and Dr. Horace Harris, and Rev. Robert Cooke, publicity director, and to all the volunteers and churches who helped. This year the bus was hosted by Clyde's Chapel, Bethesda, Pauline, Ebenezer Presbyterian Church, Selma and Benson. Churches providing meals while the bus was located at J.B.A. office were Live Oak, Pine Level and Carter's Chapel. The bus has already been scheduled for 1993.

The ministry to Hispanics continues unabated. The Rev. Robin Chapman, pastor of the Smithfield First Hispanic Mission, worked in the employment of the association for thirteen weeks during the summer. We hereby express our profound gratitude to Mr. Chapman for work with Hispanics, not just with the association, but with the people of his church and community.

The social ministry of the association has been larger than usual. Partly due to the needs of people, partly to the fact that companies have provided food supplies and shoes, and partly due to the fact that churches have continued to supply us with food and clothes. People in crisis have come for assistance and most of them have received some help. Thanks for making that ministry possible through the Johnston Baptist Association.

We're looking ahead to April 17-24, 1994, when the association will be engaged in a World Missions Conference. Our last one was in 1989. At the

time of this writing, seventeen churches have reported their intention to participate in this World Missions Conference. We need twice that many churches. If your church hasn't taken action, please vote soon to participate. We need to hear from more churches soon.

The New York partnership is now very much on our minds and hearts and in our plans. In June the Robeson and Johnston Associations chartered a bus and took forty-three people who traveled at their own cost to Southern Tier Baptist Association in New York. The visit gave us the impetus needed to get things moving and get things moving it did. You'll be hearing much more about New York this week and in the next few years.

God bless all of the churches and the ministries they support. It's great to be in partnership on mission with one another. Please call when your association can help you and/or your church.

In Christ,
Horace Ricks

Migrant Ministry Report

The Johnston Baptist Association continued its Migrant Ministry through the local churches and through cooperation in the association during 1992. There was an expanded effort to reach the migrant population through the Medical/Dental Bus in many areas of the association. The association continued its program of humanitarian aid in terms of food and clothing.

Much of the work done to reach out to Hispanic migrants was done by the churches that sponsor Hispanic church-type missions. Benson Baptist Church renewed its efforts to reach out in the southern part of the county by calling J. T. Mercado as pastor of the Hispanic mission. The Hispanic members of First Baptist Smithfield reached out to the migrant community by hosting and presenting a program on pesticide safety on several occasions during the summer. Clyde's Chapel Baptist Church sponsored a Hispanic fellowship that included Bible study and English as a second language class.

The nature of the migrant population is changing in that many of the people who originally received the amnesty of the Immigration Act of 1986 have moved into other lines of work in construction and industry. Their replacements in agricultural work tend to be from Central America and the southern region of Mexico. Sometimes they speak Spanish as a second language and identify more closely with Indian cultures than with western culture. This presents a larger barrier to cross in presenting the gospel.

Please pray for the pastors and churches that are trying to witness in the ever-changing situation.

Respectfully submitted,
Rev. Robin E. Chapman

Evangelism Report

The last words our Lord said to His disciples as He ascended to be with our Father were, "All authority in heaven and on earth has been given to me. Therefore go and make disciples of all nations, baptizing them in the name of the Father and the Son and the Holy Spirit." This was not a request, but a command.

Today there are many ways we, as God's disciples, carry out this command. Within the past year several people of the Johnston Baptist Association churches have gone to Brazil and some, more than one time. At the present we are beginning a partnership work with the Southern Tier Baptist Association in New York state where much work is expected to take place in the next few years. This should be a great opportunity for more people to get involved with the "Great Commission" of Jesus.

Last year I reported that some changes were about to take place in our witnessing program. L.E.S. has now been changed to W.I.N. (Witness Involvement Now). W.I.N. is a great tool for witnessing for our Lord. I hope you will get involved with W.I.N. if you have not already done so.

Some changes that have been made in the Evangelism Department of the Baptist State Convention of North Carolina is noticed greatly in the loss of two department heads. Richard Everett, who was director of Personal Evangelism is now pastor of Calvary Baptist Church in Wilmington, N.C., and J.W. Hutchens, who was director of the Evangelism Department of the Baptist State Convention of N.C. is now working with the Home Mission Board of S.B.C. Both of these have already been missed and will be for a long time.

Please allow me to encourage you to continue your service for our Lord as we serve Him together.

Keith Walters

Ordination Committee Report

The Rev. Robert Cooke, chairman of the Johnston Baptist Association Ordination Committee, reports that the committee hasn't been asked to examine a candidate for the ministry this church year.

By way of explanation, the committee exists to assist the churches and the candidates who are seeking ordination.

It is suggested that churches seek the help of this committee when a person requests the church to ordain them to the gospel ministry.

Johnston Baptist Association is glad to assist churches with this important task.

Time, Place, Preacher Report

Your committee respectfully submits the following report: The 1993 associational meeting will be held Monday, October 18, 1993, and Tuesday, October 19, 1993, as set in the association's constitution and by-laws.

Your committee has received invitations from the following: Monday session: Kenly Baptist Church, and Tuesday's session: Sharon Baptist Church.

We suggest that the following be named as preacher for the annual sermon: Rev. Felix Futrell, Burnell, and Robert Capps, Trinity, as alternate.

Don Price

Report Of The Senior Adult Committee

The Johnston Baptist Association has sponsored two Senior Adult allies this year. The spring rally was held May 13 with the Princeton aptist Church. The main feature of the program was a message delived by the Rev. Elliott Hill, pastor of Pleasant Grove Baptist Church.
The fall rally was held October 8 with the White Oak Baptist Church. he Senior Adult Choir of the Selma Baptist Church presented a musical titled "Psalm Songs for Senior Saints," directed by the Rev. Edwin

Jewell, Music and Education Director of the Selma Church.

The association will continue to sponsor these spring and fall rallies. Persons from the churches are invited to attend the rallies whether or not the church has a club for senior adults.

Also, some members of the Senior Adult Committee will gladly go to the churches to help them to start a club. Please call the association if help is desired.

A fellowship meal follows the programs at the rallies.

1992 Associational Report Baptist Children's Homes

Like a marathon runner, Baptist Children's Homes of North Carolina (BCH) "hit the wall" in 1991-92, but persevered to finish standing up!

In an exhausting year for staff and a myriad of volunteers, BCH successfully concluded its first statewide fund-raising campaign, received its first Thanksgiving Offering since 1979, dedicated expansion of Cameron Boys Camp, broke ground for the new Fleshman-Pratt Education Center in Thomasville, inaugurated an innovative Bible study program at Mills Home, installed two new pastors at campus churches and solidified programs that have placed it among child care leaders for decades.

These efforts enabled BCH to serve more than 1,300 children and families at 13 facilities statewide, including Chris, named All-Conference nose guard for 2A state champion Thomasville Bulldogs; Sandi, who has enrolled at Gardner-Webb College; Deborah, named outstanding freshman at Thomasville High after enduring a court battle that sent her father to prison for abuse; Jennifer, who married on the Broyhill campus where she'd lived for seven years; Kathy, who will continue to live at Broyhill while she attends college; and a host of others who are making life-changing commitments because they've received a second chance at Baptist Children's Homes.

In April, BCH successfully concluded its "Give a child a chance!" financial campaign by gaining three-year commitments for $11.2 million, topping the $7.5 million goal, and the challenge goal of $11 million. Significant priorities accomplished in the campaign are: expansion and relocation of Cameron Boys Camp to a more secluded site on its 903-acres of wilderness; ground-breaking for the Fleshman-Pratt Education Center, a model day care facility for infants, toddlers and two-year-olds; a unique Staff Training Institute for child care workers and social workers; and more than $2.7 million committed for permanent endowment.

And, the first Thanksgiving Offering for BCH since 1979 raised $510,000, a sum more than $100,000 greater than that realized through the combined offering with Baptist Hospital and Baptist Retirement Homes. BCH sent $1,000 from the Thanksgiving Offering to the Baptist Children's Homes of Sao Paulo, Brazil as fulfillment of a promise to donate 10 percent of everything received over the goal to our partners in the south.

In addition, BCH maintained the partnership with our Brazilian counrparts by sending three training teams to Brazil, and hosting a group of razilian pastors in Thomasville.

Most BCH residents come from dysfunctional families where a single arent, most often a mother, is unable to care for her children. Her frusation with life, often due to alcohol or drug abuse, or having been ouused herself, leads to limitless freedom for the children, which leads to oubling behavior. Physical abuse, divorce, alcohol, drugs and truancy ark their young lives. Behavioral problems make it impossible for the ild to continue to live at home.

Baptist Children's Homes provides a safe environment where children arn to name their problems and set goals to overcome them, which ads to behavior change. At the same time, willing family members also re addressing their problems with the help of BCH social workers. In any cases, children and families are restored.

BCH enjoyed a year of tremendous successes, in human terms and in stitutional terms, which will allow it to continue to affect change in ves. Success in the "Give a child a chance!" Campaign will help provide a argin of excellence in the future when the pledges are paid. Already, the thusiasm engendered by the effort have lifted the spirits of staff across e state.

Still, the Cooperative Program continues to anchor our budget planing. We urge renewed commitment to cooperative giving among our urches. It is essential, not only for us, but for the entire missions enrprise built painstakingly for a century and a half. Baptist Children's omes receives $1.5 million from Cooperative Program receipts each ar. This is the stackpole around which we build our other income anning. A decrease in Cooperative Program dollars to Baptist Chilen's Homes would seriously jeopardize our ability to care for children.

An increasingly important aspect of our support comes from estate fts and bequests. More and more people who want their resources to ovide new life for children include BCH in their wills.

When Sandi, and Kathy, and Chris, and Barbara come to us, full of potntial and hope, we want to be able to continue to tell them North Carina Baptists care enough to give them a chance!

NORTH CAROLINA BAPTIST FOUNDATION, INC.

Annual Report to Baptist Associations of North Carolina - July 1992

The North Carolina Baptist Foundation, as an agency of the Baptist ate Convention of North Carolina, is committed under the guidance of e Holy Spirit in serving North Carolina Baptists and others in generatg an increased awareness of Christian estate stewardship principals a means of financially undergirding churches, institutions and misn endeavors on a permanent basis.

Assets are managed under the direction of the Foundation Board of Di-

rectors with interest income being paid either in perpetuity to Bapt causes named by the donor or to the donor (or heirs) for their lifetime specific period of time) before the income is then paid in perpetuity the named Baptist causes.

Earned income distributed and paid to Baptist churches, institutions & mission causes during fiscal year 1991:	$1,100,6
Earned income distributed and paid to individuals (with Baptist causes named as future beneficiaries) during the fiscal year 1991:	$1,062,6
Total market value of Foundation assets, December 31, 1991:	$36,283,3

During 1991, the Board of Directors, with the assistance of a nationa recognized investment consulting firm, adopted a detailed Investme Policy to govern the types of investments that its fiscal agents may ma in keeping with the Christian commitment of the Foundation, as well attempt to insure that the future spending value of the invested trust fu dollar will keep up with inflation. A study revealed that during the pa five years the fiscal agents managing the Foundation assets ranked ne the top nationally with other investment managers who operate unc investment guidelines similar to the ones provided by the Foundati Board.

The Foundation staff and operations are housed in a building adjace to the Baptist State Convention Building in Cary. Individuals and chur groups are invited to call and arrange a visit of their Trust Agency's offi building.

The significance of the Foundation services was illustrated in a rece experience that staff members had while eating in a fast food restaura in Durham. In taking a seat adjacent to a table occupied by a young bla police officer, we observed the enthusiasm of a white lad of about 4 yea of age as he stood talking to the officer. As the mother and a young child, coming from another area of the restaurant, called for the lad join them, he walked away from the table 6 to 8 feet, turned around a said to the officer, who was now standing and preparing to leave, "Ca give you a hug?" After an affirmative answer from the officer, the chi walked over to the officer, reached around his legs and gave him a hu The officer confirmed to us that he wished the world was filled with pe ple like this child. The example corresponds to what so many alread have done through the Foundation. As they approach the time of leavi this earthly life, they look back affectionately on what the Lord has do for them during their life and decide that they want to leave an expressi of their love through an enduring and lasting gift (a "hug," if you pleas that will serve the Lord until His return.

Convention General Board Report

The Baptist Student Union reported over six hundred students at the all Convention at Ridgecrest. There were a large of students out in min-try this summer and also during break at Christmas. Funds raised by udents to be used in ministry programs was $81,563. Funds from the tate Convention go for salaries and repairs on property. There is a great eed for associations to help meet some of their needs. Good reports are oming from the schools.

Plans are for the indebtedness of Caswell to be paid in 1993. Although ving is behind at this time. We are working on a 95% budget. The For-gn Mission goal is short, Home Missions are over, and World Hunger is er. State Missions has not been completed.

Council on Christian Higher Education - 2800 seniors going to our gh schools. Only 14% of the churches respond by sending a list of their udents for our Baptist colleges. We need these names so that our col-ges can send them information about the schools. Gardner-Webb is to a divinity school so that we might train our young people for the min-try. Campbell is studying the possibility of a divinity school. Campbell ad 987 passing the bar exam with Wake Forest being 91%. Our schools e doing a great job.

Our partnerships are moving on in a great way. In Brazil they may ach 1,000 churches by the end of the year. It is a people-sharing oppor-nity. Over 2,300 persons have gone from North Carolina. November ds the five year partnership. Poland partnership is in the third and fi-al year. Twenty-five teams have been to Poland, staying nineteen days ch. The seminary has been built. The New York Partnership continues need volunteers of churches and associations to match with those in w York. We have been asked by Ukrane Union for a three year partner-ip from the Foreign Missions Board and our state convention. They ant assistance in building churches, restoring buildings for seminaries.

The Missions Council reported on the disaster relief van and their work Florida. Over 170,000 meals have been served by the van. We needed a actor for the van. A man hearing of our need gave us $28,000 and we ere on our way for ministry. Our people witnessed as they ministered.

Remember as we give to the N.C. State Missions Offering, the amount r new work is doubled by the Home Missions Board matching our funds llar for dollar.

BAPTIST RETIREMENT HOMES OF NC., INC.

1992: Making Life For Older Adults The Best Of Times

One of the greatest needs facing North Carolina Baptists as they mo into 1993 is the ability to provide affordable quality long-term care se vices to the "Aged Saints" of our Convention.

The fastest growing segment of North Carolina Baptist life are tho individuals in the age category of 85 and older. That age group is growi at five times the rate of any other population segment in Baptist life. Th 85 and older age group is also that age group most likely to need the se vices provided by a long-term care institution like Baptist Retireme Homes. Unfortunately in 1992 in our state, there were not enough nursi care beds to meet the needs of the growing number of older adults wh were functionally impaired and needed the services of a long-term ca provider. Complicating the shortage problem was the fact that the cost those beds was high (more than the average North Carolina Bapti Older Adult could pay). And to make matters even worse, in spite of th high cost of those beds, often the quality of care provided through tho beds was fair at best. In other words, the greatest problem facing Nort Carolina Baptist Older Adults in 1992 was the fact that there were simp not enough affordable quality nursing care beds available for use b people like you and me and our Older Adult family members.

Having become aware some years ago of the above mentioned proble Baptist Retirement Homes (for the last five year period) has been wor ing to develop a system of affordable quality nursing care beds throug out the state for use by North Carolina Baptist Older Adults. New nursi care beds became available in the Piedmont area of our state in 198 (through the opening of the Brookridge Retirement Community). In 199 affordable quality nursing care will become available to Western Nort Carolina Baptist Older Adults through the new Rickman Nursing Ca Center being built on Richmond Hill in Northwest Asheville. It is our in stitution's hope that by 1994 affordable quality nursing care will also b available to Eastern North Carolina Baptist Older Adults as well. You support has made the above possible.

In 1992, North Carolina Baptists through their gifts to the Cooperativ Program and North Carolina Offering for Older Adults made it possibl for Baptist Retirement Homes to provide financial assistance to mor than 60% of all the Older Adults living in its health care related facilities In addition, Western North Carolina Baptists contributed more than $2. million toward the construction of the new Rickman Nursing Care Cente in Asheville . . . a new facility that will enable Baptist Retirement Home to make life for many Western North Carolina Baptists truly . . . the Bes of Times.

Thank you North Carolina Baptists for your support. Please continu to pray for our ministry and its ability to meet the ever growing needs o the Older Adults of our Convention.

The Biblical Recorder
Associational Report - 1992

Last year we reported to you: "The Baptist world is changing rapidly; me would contend it is for good while others think it is nothing short of tragedy." In these past 12 months, the changes are beyond description- n the world scene and in Baptist life.

Whatever one's view may be, there is an indispensable need for correct d reliable information. The Biblical Recorder was born and continues serve for that purpose. Never was the Recorder more needed than now.

People are reading less than any time in recent history. It is true of cular publications, it is true of wholesome books from respected li- aries, it is true of religious publications. We live in an electronic age here we often think we know the answers to the issues only to discover do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be uninvolved or disruptive Baptist. No democracy, including our local urches, can survive long without an informed, involved constituency hich makes decisions based upon accurate information from reliable urces.

The most important thing facing us at this point is to get the Recorder o more Baptist homes than ever before. Your support as a subscriber d reader and your encouragement to others will enable the paper to tter serve the constituency with accurate and helpful information de- ered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the adership of the Recorder, Church News Service (CNS) was launched in 90. This system lets any congregation have their church newsletter in- rporated into the Biblical Recorder which saves staff time, postage and inting costs. Usually, for less than what it costs to produce the church wsletter, CNS gives the entire Baptist communication package to each mily in the congregation.

The paper focuses more and more attention on North Carolina Bap- ts with news, features and inspirational articles which will encourage dividuals and churches in their witness and ministry. One sure way to nquer problems and overcome the barriers to effective witness and nistry is to have the facts, know the issues and be adequately informed. That is why the Recorder was born; that is why it serves today. For ore information on how your church can subscribe or use CNS, contact: e Biblical Recorder, 232 West Millbrook Road, Raleigh, NC 27609; (919) 7-2127.

North Carolina Baptist Hospital Report To The Associations - 1992

Baptist Hospital utilizes the skills and training of more than 5,700 employees to provide outstanding health care in settings as varied as the Brenner Children's Hospital, the Trauma Center, and the J. Paul Stitch Center on Aging and Rehabilitation. Last year, the Joint Committee on the Accreditation of Health Care Organizations said that Baptist Hospital ranks in the top 10 percent of all hospitals in the nation.

During the past year, the hospital admitted 24,000 patients. It performed 16,662 surgical procedures, including 1,020 open heart operations, 29 kidney transplants and 80 bone marrow transplants. The AirCare helicopter flew 742 missions.

Total revenue of the hospital during the year was $407,280,000. Cooperative Program gifts from the churches were $656,180, which was applied to the budget of the Department of Pastoral Care. The Mother's Day Offering and other special gifts from the churches totaled $424,406 and was used for benevolent care for patients who had no other means of

ying their hospital bills.

The Pastoral Care Department, which is funded in part through the operative Program, provided clinical pastoral education to 55 students during the past year. The Pastoral Care staff provided more than ,000 specific ministries to hospital patients, family members, and aff. And, the counseling division provided over 24,000 counseling sessons. The professional staff of the Pastoral Care Department continues respond to requests for help from churches in conflict, from pastors d their families across the state.

The various services of the hospital are readily accessible to all North arolina Baptist and others. A telephone call to the Health-On-Call Office (919) 716-2255 can secure an outpatient appointment with any one the various specialists on the staff or can begin the process of gaining lmission to the hospital if that need is indicated.

Charges for the hospital services compare very favorably with those in her hospitals of the state. Reports from the North Carolina Medical atabase Commission indicate that Baptist Hospital's charges are lower an the average in other hospitals which provide similar services and e considerably lower than in the other teaching hospitals. Our hospital d not have an increase in its rates for the current fiscal year of July 1, 92-June 30, 1993.

The hospital's physical plant continues to expand. A new 840-space rking deck was opened in January. A new Emergency Department/Dietary building which will also make possible more private patient rooms is under construction now. Construction will begin soon on e 170-bed skilled and intermediate care nursing facility and on the J. ul Stitch Center on Aging and Rehabilitation. This expansion will ake it possible not only to serve more people, but to serve them better.

The staff and the patients of Baptist Hospital are grateful to North arolina Baptists for the heritage they have given the institution and for e moral and financial support they continue to give to its ministry.

Annuity Board Report

A growing number of churches and ministers are catching a vision f insurance protection and preparation for retirement. Unfortunately, f too many pastors, other ministers and church and associational pe sonnel do not have adequate financial protection. The Annuity Board primary focus for 1992 and 1993 is on enrolling as many people ar churches as possible in the Church Life and Health Program and th Church Annuity Plan.

New medical plans will be offered on January 1, 1993, as options help address the affordability issue.

The Church Annuity Plan is far more than a retirement plan. It is means to provide family protection today as well as financial securit tomorrow.

As of May 1992, 34,571 persons were participating in the Church An nuity Plan. This is the highest number of members in the history of th Plan. The number of churches involved was 19,930.

Eligible participants in the Church Annuity Plan benefit in five signif cant ways.

1. The Plan includes a Protection Section that covers disability an death. In 1991, 252 families received disability checks from the Plar and 60 families received well over $1,000,000 in survivor benefits. Ad ditionally, they received the full value of the deceaseds' retirement ac counts. All are funded by state convention Cooperative Program dol lars.
2. The Plan includes a choice of plan funds offering valuable, advanta geous investment opportunities for retirement. In 1991, the Variabl Fund credited 28.3% earnings and the Balanced Fund credited 22.4%.
3. The Plan offers significant opportunities for avoiding unnecessary in come tax. Ordained ministers do not pay self-employment tax for So cial Security on contributions to the Church Annuity Plan. These ad vantages exceed those offered by IRAs.
4. The Plan includes matching state convention Cooperative Progran dollars for eligible members' retirement income accounts. This car amount to $210 per year resulting in higher benefits at retirement.
5. A fifth value is the Annuity Board's strength and stability. On July 1 1992, a five percent increase was applied to Plan A and defined contri bution funded annuities. This brings Plan A increases to 222% of wha was called for by the original plan formula benefit.

Based on the needs of our people and in light of these special advan tages, your association is encouraged to lead every church to participate in the Church Annuity Plan.

The Annuity Board is celebrating 75 years of keeping the confidence o the people we serve. Our ministry continues to be "Serving Those Who Serve the Lord."

DIRECTOR OF MISSIONS REPORT

For many people in the association missions has taken on new meaning in recent times. It is my confident belief that each year we grow in our understanding of and commitment to the many forms of missions sponsored by the Johnston Association, and by the State and Southern Baptist Conventions.

Stewardship is a growing need among us. I would encourage our churches to plan programs for the stewardship development of the people. I could wish that all of our churches might give at least ten percent of budget money through the Cooperative Program. Materials and ideas for stewardship growth are available to the churches. The salaries of pastors and staff in many cases need urgent attention. Some of the best money a church can spend on itself is what it spends on its pastor and staff.

The Rev. J.T. Mercado worked with the association for thirteen weeks this past summer. Both through his ministry and that of Rev. Robin Chapman, food, clothes, and personal care kits were distributed. Other Hispanics were assisted when they came to the association seeking assistance. All received some kind of help.

Medical and Dental Days were sponsored by Selma, Benson Grove, Ebenezer Presbyterian and Clyde's Chapel churches. It takes many volunteers to staff for a day, but the job did get done. We are profoundly grateful to all persons who assisted in any way to make the ministry possible at the four locations.

The New York/North Carolina Partnership is alive and well in the Johnston Association. At this writing Smithfield First and Sharon teams have been to New York. Clyde's Chapel, Bethesda, Clayton First, Hocutt Memorial are preparing for teams to go and they are including some persons from other churches. This will bring to six the number of churches sending teams this year. Other churches -- Sharon and Selma, are already planning to take teams next year.

Other volunteers are going on mission trips. Mr. Thurman Davis, a member of Clyde's Chapel, went to the Ukraine and reported an exciting and effective ministry by the team.

The Rev. Don Silkwood, pastor of Steven's Chapel went to Romania with a team. Romania is not an easy place to minister. Living conditions are difficult. The weather was very hot and the team had no air-conditioning anywhere. But the team did much good ministry.

The social ministry of the association continues to assist many poor people. Even as I write I stopped to give clothes and shoes to a couple of men. With your food, money, clothes, health kits, school supplies and pampers, we continue to meet some needs of some very poor people. A third person came for clothes while I was writing this report. Thanks to all the churches classes, mission groups and individuals who have provided many items for helping others in Jesus' name. It's your ministry!

The World Missions Conference will get much attention leading up to April 17-24, 1994. Thirty-two churches are participating in the conference. Plans for the conference will soon be shared with the participating churches.

Thank you for your financial support, cooperation, prayers for your Johnston Baptist Association staff and ministries. J.B.A. is here to serve the churches, the Lord, and the people reached by our ministries.

God bless you all in the new church year.

Respectfully submitted,
Horace Ricks
Director of Missions

GENERAL BOARD REPORT

The General Board of the Johnston Baptist Association met four times during the year of 1992-93: January 7, March 25, June 24 and September 30.

Moderator Louise Wall presided over the first three meetings with Lloyd Batten,, Jr. presiding over the September meeting in the absence of the moderator.

There were many reports, promotional plans and announcements. This report is a summary of the happenings in the meetings.

No major business was conducted at the January meeting. The general reports were made. At the March meeting, a proposal by the building and Grounds purposes was approved. Also a list of nominees for department directors was approved. Articles of incorporation were presented for study purposes. Transferring of $2,500 from Passbook Savings to the non-budget account to be

used for social ministries was approved. At the June meeting the proposed budget for 1993-94 was adopted for presentation at the annual associational meeting. The General Board approved a recommendation that $500 be given to help with Rev. Don Silkwood's mission trip to Romania. Also approved was a second week of vacation for the J.B.A. secretary.

At the September meeting, some changes in the proposed budget were approved. $1,000 being taken from the salary item for the Director of Missions and placed into the housing allowance item and a recommendation that $1,200 which had been in the budget for the Benson Hispanic Mission be given to the Smithfield Hispanic Mission was approved.

As a whole, it appears that we have had a good productive year.

Respectfully submitted,
Lloyd Batten, Jr. Clerk

WOMAN'S MISSIONARY UNION REPORT

Leadership training for 1992-93 was held at the First Baptist Church in Smithfield with 116 attending. We expanded our program for our World Day of Prayer in November with great success. Meetings were held at seven locations throughout our association. Our attendance doubled and our offering almost tripled. The offering was sent to the women's department of the Baptist World Alliance to help programs in under developed countries.

All of our rallies were well attended this year. On January 22-23 the Baptist Women and the BYW went to a prayer retreat at Atlantic Beach. Olga Hood led the group in discovering their spiritual gifts. A love gift of $176 was given to be sent to Kelton and Laura Hinton, missionaries to France at that time (now in Africa). In addition to this prayer retreat, Mary Brown led a group of ladies from our association in the study of HEARTS CRY at Thanksgiving Baptist Church on June 26. This was a very enriching experience for those attending.

Acteens enjoyed a Father-Daughter Banquet on February 8 at Sharon Baptist Church. Bonnie Wiggs shared some of her missionary experiences and Sheralyn Dowless told how Acteens had enriched her life. 54 participated in this activity.

The BYW rally was at Four Oaks Baptist Church on March 11 with 35 attending, a nice increase over last year. Our DOM Horace Ricks was the speaker. The members took gifts for Harbour House.

The GA rally at Pauline Baptist Church on April 24, was set up with three different interest centers: singing, a trip to Brazil and crafts. The girls had a very enjoyable time. They took cans of food to help stock our JBA Food pantry 110 girls and leaders attended this function.

On May 1st, the Mission Friends rally was also set up with interest centers where 95 children and leaders had hands on experiences. This approach was very successful with them. They also took cans of food for the JBA pantry.

The Annual meeting of the WMU was held at Thanksgiving Baptist Church on April 12. Nancy Curtis, our retiring executive director of our state WMU was our main speaker. 116 attended. A love gift of $204 was given for the migrant work in our association. The following 12 churches were recognized for having distinguished WMU organizations in 1992-93 (the number after the church has been distinguished if more than one): Carter's Chapel (3), Cedar Grove (3), Clayton First, Four Oaks (2), Hocutt Memorial (19), Micro First (2), Pine Level (6), Princeton (7), Sharon (3), Watkin's Chapel, White Oak (3), Wilson's Mills (3). Three churches were recognized for having Standard organizations: Bethesda, Pisgah and Sardis. Twenty ladies from the Johnston Association attended the Annual State WMU meeting in Ridgecrest in March.

An additional activity of our WMU this year was a Pastor Appreciation Banquet held at Pine Level Baptist Church on May 20. 65 were involved in this delightful occasion.

Marguerite Stevens

ORDINATION COUNCIL REPORT

The J.B.A. Ordination Council was busier than it has been in several years during 1992-1993. We interviewed four candidates and approved each one. They were Rev. Ed Taylor, recommended by the Shiloh Church; Rev. Becky Knott, serving at First Baptist, Smithfield; Rev. Steve Stephenson, now serving Hephzibah; and Rev. Daniel Evans, a member at First Baptist, Smithfield. These persons demonstrated strong calls to the ministry, a good knowledge of christian doctrine, capability to serve, and commitment to the cause of Christ. We wish each of these newly ordained ministers well.

On behalf of the Johnston Association, we give special thanks to the churches which have supported and called these persons into the ordained Christian

ministry. Congregations which nurture their members to fulfill their God-given calls and gifts are very special. Please continue the good work! Furthermore, we encourage the Johnston Baptist Association, which has had an important role in validating their calls and gifts, to support these new ordainees with prayerful encouragement.

Thank you, members of the Ordination Council, for your attendance, your loving questions, your supportive sharing of personal experiences and some wonderful times of fellowship.

Respectfully submitted,
Robert L. Cooke

SUNDAY SCHOOL REPORT

The ASSISTeam has been very active this year in providing training events for the association. We based our activities on the results of a survey taken of all of the J.B.A. churches. Training programs were held at Parrish Memorial, Wilson's Mills and Benson Baptist Churches. Attendance at these three events totaled one hundred thirty-six persons representing twenty-one congregations.

ASSISTeam LEADERS Rev. Edwin Jewell, Joe and Jackie Jones and Rev. Steve Siegrist have been tireless in the performance of their jobs. Not only have they led conferences, but they have consulted with individual churches on their Sunday School needs.

Special thanks go to Rev. Billie Lawson, who did a great job leading our Vacation Bible School clinics. Two clinics were held this year with a total attendance of 98 persons from seventeen churches.

The Sunday School theme for 1993-1994 will again be "BREAKTHROUGH," with an emphasis on witnessing.

Respectfully submitted,
Denise D. Cooke

SENIOR ADULT REPORT

The Johnston Baptist Association has sponsored two Senior Adult Rallies this year. The spring rally was held April 13, with the Princeton Baptist Church. We had ten churches represented with Hocutt Memorial receiving the banner for eighteen present. Robert Capps, Trinity Baptist brought our devotional message. Scott Bullman, Garner Free Will Baptist provided a medley of "Son Light" music.

The fall rally was held September 28, with the Bethesda Baptist Church. We had fourteen churches represented with the banner returning home with Hocutt Memorial, twenty-nine members present. Robert Cooke, Clyde's Chapel brought our devotional message. Al Watkins, Plymouth Christian Church provided a program of "Fun Christian" music. A very delightful and funny play was presented by the members of Wilson's Mills Church.

An Arant, New Life Baptist Church shared the blessings of the Lord in helping them establish a support system for women released from prison.

The association will continue to sponsor these spring and fall rallies. Persons from the churches are invited to attend the rallies whether or not the church has a club for Senior Adults.

Members of the Senior Adult Committee will gladly go to the churches to help them start a club. Please call the association if help is desired.

A covered dish meal follows the programs at these rallies.

Respectfully submitted
Connie Pittman, Chairperson

EVANGELISM REPORT

In 1991 and 1992, in preparation for the Brazil mission trip those reporting to leave on their trip went through a commissioning service. This was a very special and spiritually uplifting time for all of us. Such a service is set aside solely for those leaving for a mission trip, is it not? Considering the words of our Lord Jesus Christ, we will go through a commissioning right when we accept Him as our Savior. The words He spoke to His disciples transcend to us as well, when He said, "go and make disciple of all nations, baptizing them in the name of the Father and the Son and the Holy Spirit."

Today as we consider the ways in which we might respond to that command we find many opportunities. We have had many to see the partnership with the Southern Tier Association of New York as a way of following through on this command. Because of this, there has been much progress brought about in sharing Jesus Christ with people in that area.

There are others who feel they have been commissioned to be witnesses right here in Johnston County - to reach out to the many people who are without Jesus right here in our midst. But this feeling is deciduous in many cases. The reason for this often falls in the area of inadequate training to properly prepare for the task of sharing one's faith.

It is in response to this cry for help that I have scheduled an associational W.I.N. (Witness Involvement Now) school for March 21-24, 1994. This will be held at Sharon Baptist Church in Smithfield. The State Convention's Evangelism Director Milton Hollifield will lead the school. It is my hope you will feel led to participate in this learning experience.

The school's primary purpose will be to fulfill our obligatory purpose - to share our faith in the Lord Jesus Christ as our Saviour. The school will also be an opportunity for those who would like to become teachers to be so trained. In this Association we have been blessed to have Reverend Keith Walters. Keith is the only one in the Association who has been trained and is actively involved in leading W.I.N. schools. For this I wish to express my deepest gratitude. But there is such a great need in this area that I feel we are placing an undue burden upon Keith. I hope that other pastors feel the need to prepare themselves to become teachers as well.

We welcome our new Evangelism Director Milton Hollifield as he prepares to lead us in the task set before us in the evangelism field.

Respectfully Submitted,
Felix Futrell,
Evangelism Director

CONVENTION GENERAL BOARD REPORT

The Carowinds ministry resulted in over 2,300 decisions and forty-five making decisions for special service. The evangelism department encouraged us to have 10,000 sharing their faith for sixty days. What a revival that would be.

Partnership missions - Long Island report is that one hundred four groups from North Carolina have gone to New York for ministry. They have ten churches and nine missions. There are over three million living on the island. There were training conferences with fifty-three in attendance. Multi-housing is increasing with even more witness. We have associations matched with associations in New York. We have helped with buildings, surveys, revivals, leader training and Vacation Bible Schools. This work is still going on.

The disaster flood relief has had an overwhelming response. Our Disaster Relief Van was there from July 21 until September 2. A total of 48,000 meals were prepared by more than one hundred fifty volunteers. We purchased and sent four power washers to clean homes. Purchased a large purification unit capable of purifying 1,000 gallons of water per hour. North Carolina contributed $40,000 to Missouri Convention, $20,000 to the Illinois Convention and $30,000 to Brotherhood Commission for flood relief. One tractor-trailer load of cleaning supplies was sent to flood victims.

We have worked with the Foreign Missions Board in all of our overseas projects. Bill Peacock brought thanks and appreciation for our ministry in the Ukraine, Poland and Russia.

The charters have all been changed and the by-laws of the institutions, according to the vote at the State Convention in 1992. There has been much prayer and dialogue with some of the institutions. We are grateful for the issues to be solved.

Respectfully submitted,
Jean Hinton

REPORT OF THE ANNUITY BOARD

The Annuity Board focuses on the care and protection of God's messengers. It strives to ensure all pastors, other ministers and eligible church and association employees, with their families, have adequate income for retirement and adequate insurance protection including life disability and medical coverages.

As the first quarter of 1993 ended, 35,309 persons serving 29,062 churches were participating in the Church Annuity Plan. This is the highest number of members in the history of the Plan.

hile these statistics reveal progress, far too many of God's servants are not otected or have inadequate protection. God's word clearly teaches us to provide r His called servants. The Annuity Board challenges churches and associations be faithful to God's instruction.

ie Church Annuity Plan provides financial security before and after retirement. Protection Section includes valuable disability and survivor benefits funded state convention Cooperative Program dollars.

Recommendation: The minister or employee agrees to contribute 5% of pay lus housing); the Church agrees to contribute a 2 for 1 match (10%) of pay lus housing). The percentages may vary, and maximum contribution limits are t by the law. The church, by entering into a Cooperative Agreement certified the state convention, may make it possible for the member to receive state nvention matching contributions.

ie Church Life and Health Program provides excellent insurance protection. ere have been no medical rate increases since July 1992, and no increase is ticipated this year. Work is continuing to allow us to offer a Health aintenance Organization (HMO) to the program.

r 75 years the Annuity Board has served those who serve the Lord. If we may ve you, call us toll-free: 1-800-262-0511.

Chad Allen

REPORT OF BAPTIST CHILDREN'S HOMES

DID YOU KNOW THAT:

In 1993, North Carolina reached place number ten (10) among all the states the United States in regard to the size of its adult population over the age sixty-five. (65)

That one-half of all the people who have ever lived to be sixty-five (65) are no living.

The fastest growing segment of North Carolina Baptist life is composed of thos adults eighty-five (85) and older and that by the year 2000 that age category wi double in size.

That by the year 1996 North Carolina's "Baby Boomers" will be turning fifty five (55) every 18 seconds

That by the year 2010 one out of every two people living in North Carolina wi be fifty (50) years of age or older?

What do figures like those above mean for North Carolina Baptists?

They point to the fact that one of the greatest needs facing our Convention as w move into the year 2000 is the provision of quality, affordable long-term car services to functionally impaired Older Adults through the expansion of existin long-term care facilities, and through the development of creative approaches t

g-term care such as rural home health services, community day care grams, and respite programs for homebound care providers.

an attempt to meet the above mentioned need, Baptist Retirement Homes of rth Carolina, Inc. in 1993:

ened the Rickman Nursing Care Center in Asheville, North Carolina (a 100 Medicaid certified nursing care facility).

e Rickman Center is a state-of-the-art long-term care facility that has been eloped to meet the needs of the poor elderly in Western North Carolina (80%) he resident population will be recipients of benevolent funding).

novated the Albemarle Baptist Home in Stanly Baptist Association and amed it the Taylor House. The Taylor House has no financial requirements admission and is designed to provide care to the assisted living level of care dent, regardless of his/her ability to pay for the long-term care services vided.

veloped a new addition to the Brookridge Health Care Unit in Winston-Salem order to provide an area for suffering from dementia. This state-of-the-art gram will enable Baptist Retirement Homes' staff to improve the quality of experienced by members of its resident community who are mentally aired.

ptist Retirement Homes is keenly aware of the fact that without the support of rth Carolina Baptists none of the above would have been possible. As a result he prayers and funding that the "Homes" receives through the Cooperative gram and the North Carolina Offering For Older Adults, it has been able to r hope to many Older Adults whose future would have been uncertain nout the caring involvement of North Carolina Baptists. It is because of you our institution has been able to make life for many Older Adults in 1993 ... e Best of Times.

nk you North Carolina Baptists for your support!

THE BIBLICAL RECORDER
Association Report--1993

e only thing that is unchangeable is change itself! For most of us it is ossible to comprehend the radical and often destructive changes which are ing place in our world. In politics, morals, economics and church life, our ptist world is faced with decisions and issues without equal.

atever one's view may be, there is an indispensable need for correct and able information. The Biblical Recorder was born and continues to serve for purpose. Never was the Recorder more needed than now.

ple are reading less than any time in recent history. It is true of secular lications, it is true of wholesome books from respected libraries, it is true of gious publications. We live in an electronic age where we often think we w the answers to the issues only to discover we do not.

informed Baptist is a better Baptist; an uniformed Baptist may be an nvolved or disruptive Baptist. No democracy, including our local churches, survive long without an informed, involved constituency which makes isions based upon accurate information from reliable sources.

e most important thing facing us at this point is to get the Recorder into more ptist homes than ever before. Your support as a subscriber and reader and ir encouragement to others will enable the paper to better serve the stituency with accurate and helpful information delivered to Baptist homes l churches. We need your help!

order to save churches large amounts of money and to increase the readership the Recorder, Church News Service (CNS) was launched in 1990. This tem lets any congregation have their church newsletter incorporated into the blical Recorder which saves staff time, postage and printing costs. Usually, for s than what it costs to produce the church newsletter, CNS gives the entire

Baptist communication package to each family in the congregation. Anticipa increases in mailing costs makes CNS a greater value in 1994 than even whe was started in 1990.

The paper focuses more and more attention on North Carolina Baptists w news, features and inspirational articles which will encourage individuals a churches in their witness and ministry. One sure way to conquer problems a overcome the barriers to effective witness and ministry is to have the facts, kn the issues and be adequately informed.

That is why the Recorder was born; that is why it serves today. For m information on how your church can subscribe or use CNS, contact:

BAPTIST HOSPITAL REPORT

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist urches of North Carolina. The essence of our purpose s to carry out a ministry of healing as taught by Jesus Christ. We remain as fully mmitted to this mission as were our founding fathers. In the midst of changing ealth-care norms, we have not, nor will we, deviate from this mission. The following paragraphs eport, not only basic facts, but various results of how we have sought in the last year to remain true to our heritage while providing quality health care at affordable prices.

PROVIDERS AND RECIPIENTS OF HEALING

Our healing team now consists of 4,892 employees. The Medical Center (NCBH and BGSM) personnel total employment is fast approaching 9,000 people making us the second largest employer in Forsyth County. In our 806-bed facility, we had 23,247 inpatient admissions. Our Outpatient Department, physicians' clinics, and other related departments received 490,667 patient visits.

Our chaplaincy division joined with our health-care professionals to provide spiritual and emotional healing. With 15-40 chaplains present at various times, 52,934 ministries were provided to patients, families, staff and groups.

A new department of our Pastoral Care program named the Center for Congregational Health was given birth. Its purpose is to (1) train Intentional Interim pastors; (2) train church leaders; (3) provide a minister's assessment program; (4) establish a Minister's Help Line providing an opportunity for church leaders to receive guidance via a telephone call. The Pastoral Counseling Division opened a new counseling center in Wilmington bringing our total counseling centers to 11 across the state. The centers provided 16,205 counseling sessions.

Proceedings
Johnston Baptist Association Annual Meeting
October 17, 1994

The opening meeting of the 92nd Annual Session of the Johnston Baptist Association was held at Trinity Baptist Church, Benson. Pre-session music was provided by Rev. David Anderson and Mrs. Phyllis Toothman, Pastor and member of Four Oaks Baptist Church respectively.

The meeting was called to order by Moderator Chad Allen at 7:15 p.m. Scott Rummage led the messengers in a hymn, "Praise Him, Praise Him." A word of welcome was given by Robert Capps, pastor of Trinity.

Dr. Sherrill Stevens moved the adoption of the Order of Business and the motion passed. Interpretation of the Theme, "Heritage-Herald-Hope" was offered by Rev. Leonard Nix, pastor of Nobles Chapel. Using selective verses from 1 John, Rev. Nix spoke of our dignity as children of God, our distinctiveness as God's people, our fixed destiny and our clear duty to "do what He says."

Mrs. Jackie Jones, member of Sharon Baptist Church led in prayer.

Dr. Horace Ricks, Director of Missions, gave his report. He began by stating, "this has been a glorious year in the Johnston Baptist Association." He shared words of appreciation to our pastors who "stand in the pulpit week after week." He gave several brief reports about several topics, including; ministry with Hispanics, and the 1995 Here's Hope-Share Jesus Now Revivals. He called on the messengers to be in prayer for these meetings in which thirty-three churches had agreed to participate. He spoke enthusiastically about the "Christmas in August" project in which some 300 children were helped. He informed the delegates of a new partnership with Campbell University. Dr. Ricks then recognized Rev. Robert Cooke who gave an explanation for the cover on the Book of Reports.

The Nominating Committee Report was presented by George Smith, chairman of the committee. He moved that the following nominations be approved: Moderator, Robert Cooke, Vice Moderator, John Allen, Clerk, Norman Band, Treasurer, Keith Peedin, Historian, Gail Cagle. Also, Tom Benton, Trustee through 1997. There were no other nominations from the floor and the motion passed.

Robert Capps read 2 Corinthians 3:5-18, then led in prayer. Music was provided by the choir of Trinity Church and Robert Capps delivered the Annual Sermon. He thundered home what he called the cry from our Convention. "We have forgotten our Heritage. Our uniqueness is our diversity." He expressed pride in our heritage but was quick to remind messengers that "our heritage is not worth a nickel without our Herald." " We have something to proclaim," he said.

Rev. Bill Monroe, pastor of Pisgah Baptist, gave the benediction.

SECOND DAY

Oct 18

The second day of the proceedings convened at the Princeton Baptist Church on Tuesday afternoon at 3:45 with pre-session music by "The Singing Parsons. Moderator Chad Allen called the meeting to order and Scott Rummage led in singing "Stand Up Stand Up For Jesus." Rev. Don Price gave the welcome and Rev. David Mills of Middlesex church brought the Theme Interpretation. He drew his comments from Acts 19: 13 and following. He spoke of the "seriousness of our commitment" and the "source of our confidence". Reports were heard from Sunday School, Women's Missionary Union, and Brotherhood.

Edwin Jewell of the First Baptist Church, Selma led messengers in the singing of a hymn medley. Robert Cooke, Vice Moderator then presided, calling for committee reports. Rev. Don Price made a motion that the Time, Place, and Preacher Report be adopted. The motion was seconded and approved. The DOM asked for a motion from the floor to adopt the budget. This motion was made, seconded and approved by the messengers. Robert Cooke moved the adoption of the Committee on Committee report with one correction; Jean Hinton was to be deleted from the Social Ministries Committee.

Dr. John Allen of the Resolutions Committee brought a Resolution of Appreciation. **(text found in the Resolutions Committee Report)**

Dr. Allen moved the adoption of the Resolution. It was seconded and approved.

Dorothy Driver of the Memorials Committee led in a memorial service.

(Continued)

Robert Cook led in a Prayer of need concerning this. Mrs. Jean Hinton brought greetings from Africa, where her son and family are serving as missionaries.

Ed Wiggs our associational liaison from the Baptist State Convention spoke briefly concerning the process of restructuring that the Convention is now undertaking. Scott Rummage led in singing "He Keeps Me Singing".The vice moderator recognized visitors and former moderators. Chad Allen delivered the annual Moderator's Address. He spoke of his personal faith "hammered out" from over forty years of ministry. He shared his burden for Southern Baptists commenting,"we have lost a lot of our influence.We have to earn the right to be heard." Using 1 Peter 3:13-16 as his text, he pointed out three things Southern Baptists need to regain; our zeal for Jesus Christ, our zeal for what is good,holy, and right, and our zeal for Truth. The afternoon session adjourned for dinner.

The evening session convened at 7:10 PM with special music from the Live Oak Baptist quartet. Chad Allen presided. Scott Rummage led in singing, "We Have Heard the Joyful Sound." Recognition was given to retired pastors and staff. In a period of miscellaneous business, the Director of Missions shared the need for fifteen men from our association to join with other associations to build a seminary in the Progue Czech Republic, Feb. 18- March 4, 1995.

Theme Interpretation was given by John Mark Bachelor, Pastor of White Oak. Sharing from Leviticus 23:39-43, he spoke of the importance of "telling the story."

Kelli Garris of First Baptist Smithfield led in prayer and Scott Rummage led in singing "I Love to Tell the Story."

Special music was provided by Princeton Baptist Church.

Sherrill Stevens introduced our speaker, Dr. Michael Blackwell, President of the Baptist Children's Homes of N.C. Dr. Stevens expressed thanks to all who worked on the program. He remarked, "you have made this a celebrative time."

Dr. Blackwell spoke of "The Ministry of Encouragement." His text was Acts 13: 13-33; 42-43. He encouraged the Body to do as Dr. Norman Vincent Peale had often said, "knock the T off the can't." Encouraging one another is what we are about.

Moderator Chad Allen concluded this session of the Johnston Baptist Association by expressing thanks to his church, his wife, Horace Ricks, Faye Edwards, and Robert Cooke. He then recognized the new officers for 1994-95.

Robert Cooke as the new moderator expressed a desire that we operate in a spirit of love and unity. He dismissed the messengers in prayer.

DIRECTOR OF MISSIONS' REPORT

"This is the day the Lord has made, we will rejoice and be glad in it," says the Bible. Surely these are good days for the churches of the Johnston Baptist Association. And these are good days for the expanding ministries of the churches through the association.

Space doesn't permit a full reporting on all the activities. Yet, we share a few of them to remind you of the diversity of the ministries.

The New York Partnership is going strong. In the past year several churches have had teams to go to the Empire State to do ministry. Bethesda, Pisgah, Hephzibah, Wilson's Mills, Smithfield First and Sharon have had remarkable ministries with the churches in the Southern Tier Baptist Association. Other churches are planning to send a team to New York next year.

Also, a room in the Southern Tier office was in a bad state or repair. Another church had repaired the walls and ceiling. The Johnston Association gave $401.00 to level the floor and in general prepare it for the installation of new carpet. Dr. Terry Douglas has expressed appreciation for the help.

Volunteers has become a big ministry of Southern Baptists, and it continues to grow. In addition to the New York volunteers, Clyde's Chapel has had four teams to go to repair storm damaged houses in Florida. Charles and Bonnie Wiggs are in Albania for two years to coordinate the work of nationals and volunteers from the U.S. Clitus and Jean Hinton are in Africa for a month to visit family and to share ministry with Kelton and Laurie Hinton. Pearline and Walter Morgan have had a great ministry this summer at a N.C. beach with Campers on Mission. This work they have done for several years.

Pastor Search Committees are regularly seeking the help of the association to locate perspective pastors. They often get twelve to eighteen resumes to assist them. Counseling with these chairpersons is an on-going task of the Director of Missions.

The ministry to Hispanics continues in several ways. Rev. Ramon Gesualdo is the pastor of the First Baptist Church, Smithfield Hispanic Mission and the work is beginning to grow. Rev. J.T. Mercado has conducted a summer ministry over a wide area to witness to Hispanics, distribute New Testaments and Bibles in Spanish. They are given other help with food, clothes and health kits.

The Deacons/Pastors/Spouses Banquet last February was the largest thus far. It has continued to grow until we have about reached the capacity of the American Legion building in Benson. That gathering has strengthened the work of the churches through the association.

Financial support for the association remains strong. Thanks to all the churches. With your support, we are able to fund ministries and maintain property.

DIRECTOR OF MISSIONS' REPORT (Continued)

The associational office has received attention. A new computer has been purchased and we're still learning how to use it. Also, a cover has been built over the front entrance and steps built under the carport. A cover will be put over the back door to the conference room and two other changes will be made inside for storage.

The Social Ministry continues to serve many needs and many people. Thanks for budget funds and for the food, clothes and Christmas gifts you supply. Last Christmas we assisted 300 children, a big help to the parents.

The World Missions Conference was a great event for thirty-five participating churches. The speakers were very good and they appreciated accommodations and stipends.

Continued growth activities in your churches, support the Cooperative Program and the special mission offerings. God bless you and call us when Johnston Baptist Association can help you.

Horace Ricks

SUNDAY SCHOOL ASSISTEAM REPORT

In the previous year, the ASSISTeam (Associational Sunday School Improvement and Support Team) conducted three meetings for churches in our association. The first of these was an information session about Great Commission Breakthrough, a strategy for helping churches put their dreams into words and then make them realities. Nineteen people from eight churches attended this forum.

A Vacation Bible School Clinic was held in April. Rev. Curtis Pettit was in charge of this important training.

In June, the Sunday School Board released changes which are to come in the Fall quarter of this year, primarily in the Life and Work curriculum. The ASSISTeam provided this information to twenty-nine persons from severnteen churches. There will be changes in all other curricula in the coming year. We will continue to provide information about these changes. We also hope to provide support for the Here's Hope revivals in the association by encouraging churches to use the natural outreach function of the Sunday School to reach people for Christ.

Denise D. Cooke. Director

MEDICAL-DENTAL BUS MINISTRY REPORT

The purpose of our Medical-Dental Bus Ministry is to minister to the physical needs of people in order to have the opportunity to share Christ with them. A partnership between the local church, Johnston Baptist Association and the N.C. Baptist Men makes it possible for us to reach dozens of people each year. Local churches provide volunteers to register and transport patients, do publicity and provide refreshments. J.B.A. locates medical staff and coordinates arrangements with the State Convention. The N.C. Baptist Men own the bus and make it available.

The 1993-1994 church year was an unusual one for the J.B.A. Medical-Dental Ministry. Due to scheduling conflicts, we were able to provide only one clinic this year. It was held at Clyde's Chapel Baptist Church on July 16, from 9:00 a.m. to 5:00 p.m. Forty-four volunteers provided free medical and dental treatments for thirty persons. Patients included residents of the Riverside Christian Center, migrant farm workers and neighbors in the Clyde's chapel community. Despite having the clinic open for eight hours, several patients could not be treated due to lack of time.

Two of the original Medical Bus Committee members resigned in the past year due to hectic personal schedules. Nonetheless, Mrs. Annette Woods and Dr. Horace Harris have continued to serve in vital capacities in this ministry. A great deal of credit for the success of our clinics is due them.

Several plans are being made for next year: –1995 dates will be May 20, July 15, and September 16. If your church is interested in hosting a clinic, please contact me. –Since the bus is owned and operated by the N.C. Baptist Men, we are talking with the J.B.A. Baptist Men about sponsoring the Medical-Dental Bus Ministry. This will give us a broader base of support and resources from which to draw. –There is a possibility of holding a Medical-Dental Clinic in conjunction with the New York Partnership if arrangements can be worked out. If you know a medical doctor, dentist or nurse who would like to go to the Southern Tier Association on a medical mission, please let me know.

At a Medical-Dental Clinic two years ago, a young black man was sitting alone. I struck up a conversation with him which lasted for fifteen or twenty minutes as we talked about being Christian in general and the book of Revelation in particular. An hour later, as he was leaving the church, he gave me one of our New Testaments. Inside the front cover is the sketch of Christ that is printed on the outside of this booklet. The drawing was his way of saying thank you for the time we had spent together and the brief friendship we had shared.

Thank you for your support of this important ministry. please pray that God will help us see and minister to those around us who have physical and spiritual needs.

Respectfully submitted,
Robert Cooke

EVANGELISM REPORT

October is here and the cooler evenings are reminders that Fall is really here. Soon to follow will come the longest holiday and festive season in the calendar. And guess what, January will be here and we will begin a special season of sixty days of personal evangelism.

Following will come the Harvest Revivals. The official name is: Here's Hope. Share Jesus Now. For the past eighteen months we have been enlisting participating churches. To date, thirty-one churches have indicated to the associational office that they will participate in these very special revivals.

Any effort requires planning, organization and promotion. All of those efforts plus the revivals should be the subjects of much care and prayer.

At this time churches need to be selecting the suggested committees, perhaps they have already budgeted for the expenses. The suggested period for the Here's Hope Revivals is **March 12 through September 15, 1995.** Each church will select its time in conjunction with other events on the church's calendar.

Each church will be asked to report its revival activities and results. As announced earlier, Rev. Chris Hall, the J.B.A. Evangelism Director who has been called to another church, agreed that we will ask all churches in the association to report. If they will report, whether or not they signed to participate, we'll count them among the totals.

Churches have received an abundance of materials. They received a Pastor's Planning Manual. The materials are adequate and will enable a church to plan well for an effective revival.

All churches in J.B.A. are encouraged to have a revival in the above stated time period and to report it to the associational office.

Respectfully submitted,
Horace W. Ricks

TIME, PLACE PREACHER REPORT

Your committee respectfully submits the following report: The 1995 associational meeting will be held Monday, October 16,1995 and Tuesday, October 17, 1995 as set in the association's constitution and by-laws.

Your committee has received invitations from the following: Monday session, Newton Grove Baptist Church and Tuesday's session, Corinth Baptist Church.

We suggest that the following be named as preacher for the annual sermon: Dr. John Allen, Clayton First, & Rev. David Anderson, First Baptist Four Oaks as alternate.

Respectfully submitted,

WOMAN'S MISSIONARY UNION REPORT REPORT

The Woman's Missionary Union of the Johnston Baptist Association got off to a good start for 1993-94 with 122 attending the Fall workshop. The Baptist Women's World Day of Prayer saw another significant increase this year with eight groups meeting at different locations throughout our association. Three hundred sixteen attended and gave $1,037.16 to help Baptist women all over the world.

The rallies of each organization were well planned and well attended thanks to our dedicated directors of each organization. One hundred thirty-nine Baptist Women and Baptist Young Women from our association attended the Prayer Retreat at Atlantic Beach led by retired missionary Mildred McWhorton. The Baptist Young Women's Rally held at Pine Level had 35 attending. Ninety-nine attended the Acteen Banquet held at Watkin's Chapel, a nice increase over recent years. The Mission Friends had 76 attending their program where the children enjoyed different interest centers. The annual W.M.U. meeting at Smithfield with speakers Frank and Mary Eva Zedick had more than 160, the largest attendance in many years.

Mission action projects were sponsored by each organization with some bringing food for our association and some contributing to a fund to help remodel and expand the G.A. state camp, Mundo Vista, at Asheboro. The churches of our association gave $2,670.63 to the Mundo Vista fund. The churches also responded generously in contributing Christmas gifts for the needy and were distributed by our J.B.A. staff to approximately 300 children.

Again this year our associational W.M.U. is distinguished. The following churches had distinguished W.M.U. organizations. The number following each church denotes the number of consecutive years that church has been distinguished. Bethesda (1), Carter's Chapel (4), Cedar Grove (4), Clayton First (2), Four Oaks First (3), Hocutt Memorial (20), Micro (3), Pine Level (7), Princeton (8), Sharon (4), Wilson's Mills (4), Watkin's Chapel (2), White Oak (1). Pisgah had a standard W.M.U. organization.

Respectfully submitted,
Marguerite Stevens, Director

REPORT OF THE MISSIONS DEVELOPMENT COUNCIL

On January 13, 1994 the General Board of the Johnston Baptist Association approved a recommendation to establish a study committee to look at the involvement of the association in its social and benevolent ministries. This task was assigned to the Missions Development Council.

Members of this council, Denise Cooke, Jackie W. Jones, Rudy Oliver, Robert Capps and two ex cathedra members, Robert Cooke and J.B.A. Moderator, Chadwick Allen met on the following dates to undertake this task. May 19, June 2, July 7 and July 28. Dr. Horace Ricks, J.B.A. Director of Missions participated in the June 2 and July 28 meetings.

After much discussion, prayer and guidance from the Holy Spirit, the members of this council respectfully submit to the General Board of the Johnston Baptist Association the following recommendations concerning its social and benevolent ministries:

1. Beginning with the 1994-1995 budget of the Johnston Baptist Association, provide a specific line item for social and benevolent ministries. At present this is provided for in the budget under contingency. The amount proposed is a minimum of $3,000.00 (more than the minimum amount is encouraged if the Budget & Finance Committee can provide funds).

2. Appoint and establish a Benevolent and Social Ministries Committee to be responsible for establishing guidelines for this ministry which will include reviewing records, verifying and working cooperatively and conjunctively with the Director of Missions in dispensing resources and reporting quarterly to the General Board.

3. The Missions Development council should monitor and study the feasibility of creating and funding a new staff position, initially part-time and eventually full-time, a "Director of Christian Social Ministries." If this recommendation is adopted the Missions Development Council is to submit in one year to the General Board the findings of this study.

In closing, the Missions Development Council wants to commend our Director of Missions, Dr. Horace Ricks for his Christ-like concern and unselfish contribution in meeting the biblical mandate for the benevolent concerns of this association.

Respectfully submitted,
Robert Capps, Chairman
Missions Development Council

SENIOR ADULT REPORT

The Johnston Baptist Association sponsored two Senior Adult Rallies this year. The Spring Rally was held April 21, with the Hocutt Memorial Baptist Church. We had one hundred and twenty-seven present with Hocutt Memorial receiving the banner for thirty-one present. Dr. Terry Douglas, Director of Missions, New York brought our devotional message from John 21-18. The group was delighted with the program from The Pickin Parsons. Guest speakers: Rev. James W. Smith, foreign missionary, retired, Israel and Loretta Rivers, home missionary, New Orleans, La. shared their mission work with us.

The Fall Rally was held October 4, with the Wilson's Mills Baptist Church. We had one hundred and two present with Hocutt keeping the banner with twenty-three members present. Rev. Keith Kimball, Carter's Chapel, brought our devotional message from Geneses 1:1. Andy Woodall shared his testimony and shared the message of Jesus in song. Dr. Ray Hodge was our guest speaker. A special program of group singing was led by Rev. David Crumpler. A covered dish meal follows the program at these rallies.

Dr. Horace Ricks shared with us the work being done through the association as a result of all the gifts from our churches and that over 300 children had Christmas because of these gifts. What a joy to see how God multiplies our gifts and service to others.

The association continues to sponsor these Spring and Fall Rallies. Persons from the churches are invited to attend these rallies whether or not the church has a Senior Adult Club.

Members of the Assn'l. Senior Adult Committee will gladly go to the churches to help them start a club. Please call the association if help is desired.

Making Life for Older Adults. . .
The Best of Times

As a result of the wonderful support given by N.C. Baptists, 1994 will be remembered as one of the finest years in the 43 year history of Baptist Retirement Homes. The following are some highlights from the year:

In recognition of its commitment to the spiritual well-being of the residents that it serves, Baptist Retirement Homes hired W. Paul Riggs to serve as Chaplain to the residents of the Prince Nursing Care Center in Winston-Salem and the Rickman Nursing Care Center in Asheville.

Reaffirming its commitment to the idea that retirement should be a "step-up" for Older Adults, the renovation of the Taylor House in Albemare was completed and renovation of the Hamilton Baptist Home in Martin County was begun. When the renovation of the Hamilton Baptist Home is completed in mid-1995, all of the facilities operated by the Baptist Retirement Homes will be "State-of-the Art."

In recognition of the changing profile of institutionalized Older Adults (47% of the "oldest Old" in N.C. suffer from some form of dementia), a special small group approach to the care for institutionalized Older Adults suffering from dementia was instituted at the Prince Nursing Care Center in Winston-Salem. Through the implementation of this program, Baptist Retirement Homes once again demonstrated its commitment to the principle that everyone has the right to age with dignity and to enjoy a certain quality of life throughout the aging process.

In an effort to provide Older Adults with affordable care, a sub-acute unit was developed at the Prince Nursing Care Center in Winston-Salem...a unit where frail Older Adults can receive such treatments as IV therapy, infusion, wound care, and stroke and bone fracture rehabilitation outside of a hospital setting.

In response to the need to provide quality long-term care services to the ever growing number of frail Baptist Older Adults, Baptist Retirement Homes expanded its nursing services in 1994 to include an additional 100 Older Adults (80% of that group being classified as the poor elderly...men and women who lack sufficient financial resources to pay for the institutional services they receive).

Thank you N.C. Baptists for helping us make life for Older Adults..The Best of Times!

Baptist Children's Homes of North Carolina

Michael C. Blackwell, President

No matter how much adults try to convince themselves otherwise, children suffer when parents divorce.

Amber suffered. Because she blamed her mother for household turmoil, and because she was young and confused, Amber told her mother she hated her. She stopped communicating and became withdrawn. She chose wrong friends and attempted to take her own life.

In today's atmosphere, when divorce rocks as many marriages as it misses, thousands of children like Amber look for anchors. And in today's atmosphere, just as in the atmosphere of the 1880s, and every year since, Baptist children's Homes provides that anchor for hundreds of children.

In 1992-93 BCH served 1,469 young people and their families. Probably an all-time high.

Through services provided at 13 facilities state-wide, BCH offered residential care, maternity care, a home for teenage mothers and their babies, therapeutic camping, model day care, emergency care and behavioral change.

Through the Cooperative Program, church budgets and the Thanksgiving Offering, Baptist churches provided about one-third of the $11 million necessary to care for those children. Other revenue comes from payment for services on a sliding scale, foundations and corporations and individual gifts. A significant source of help comes from individuals who remember Baptist Children's Homes, and the children it serves, in their estate planning.

"I couldn't handle what was going on at home," Amber said, after a year in the intensive group process at Kennedy Home. "I wanted a way out. I saw (suicide) as the only way. I had totally turned my back on God."

Under the tutelage of Kennedy Home Baptist Church's pastor, Amber has rededicated her life to the Lord and was baptized. She is now memorizing Scripture and doing devotions.

Between her renewed faith and the peer group process, Amber has begun to resolve the differences with her mother. When she graduates from Kennedy Home, she plans to live with her mother and sister.

"Just being able to talk through it with group and with staff helped make it better, " Amber said. "they helped me understand mom may have moved out, but she never left me. She's always been supportive."

Working through problems at BCH involved identifying your problems, putting a name to them. That helps a child realize he/she is not a "problem child" but is a "child with problems."

Baptist Children's Homes of North Carolina

(Continued)

"If I was alive without this place, I wouldn't be in a happy life," Amber said. "I'm really thankful there are places like this."

Amber's gratitude expresses the feelings of hundreds of children each year, and the staff who serves them. Many young people need BCH. Thankfully, many Baptist adults are committed to providing their needs, for Jesus' sake.

COUNCIL ON CHRISTIAN HIGHER EDUCATION
50TH ANNIVERSARY
1944-1994

Baptist College/University Report:
One year and 338 days after Pearl Harbor, the Council on Christian Higher Education was created: November 17, 1943. The first council meeting occurred January 17, 1944, four months and 20 days before D-Day. Reports to the Baptist State Convention in those years contained many references to World War II and its effects upon churches, communities, the colleges and Baptist work in general. It was a time of weakness and confusion. War was raging in Europe and the Pacific, and the outcome was still in doubt.

In such a time there were visionary Baptists who by faith could see beyond the clouds of war to the needs of peacetime. A Convention committee of 64 members labored almost two years before recommending that the Council be established. Chowan College was closed in 1944, Gardner-Webb College was not yet funded by the Convention, and Wingate College received only $5,000. The clear aim was to strengthen the colleges, increase their moral and financial support among Baptists, place Christian Higher Education high on the Baptist agenda, and to organize such efforts on a continuing basis.

In 1994, the Council on Christian Higher Education's 50th year of operation. let us give thanks for those pioneer Baptists whose foresight, insight and good works caused North Carolina Baptists to become leaders in the field of Christian Higher Education.

REPORT OF THE BIBLICAL RECORDER

The rapid changes taking place in our world have produced distorted values, violence, threats and uncertainty and the surrender of much that is good and wholesome while creating false heroes who fail. Baptists must rise up to face these decisions and issues before our window of opportunity is lost forever. We must not squander our heritage from yesterday and our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. Never was the Recorder more needed than now, with charges and countercharges flying, with people trying to use and manipulate others.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where many think they know the answer to the issues only to discover they do not. It is impossible to know in depth what is happening when we depend on "60-second sound bites" of news on television or radio.

An informed Baptist is a better Baptist; an uniformed Baptist may be uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the Recorder into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Anticipated increases in mailing costs makes CNS a greater value in 1995 than even when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed. With all the stress and disturbance in the world, "The North Carolina Baptist Way" has become even more important to us than ever before.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact: The Biblical Recorder, 232 West Millbrook Rd. Raleigh, N.C. 27609 (919) 847-2127

Meeting the Challenges of Health Care

"Touching Lives With Hope"

1994 Report to the Associations

North Carolina Baptist Hospitals, Inc.

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churches of North Carolina. the essence of our purpose is to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our founding fathers. In the midst of changing health-care norms, we have not, nor will we, deviate from this mission. The following paragraphs report, not only basic facts, but various results of how we have sought in the last year to remain true to our heritage while providing quality health care at affordable prices.

Providers and Recipients of Healing

Our Hospital healing team now consists of 5,777 employees. the Medical Center (N.C. Baptist Hospital and Bowman Gray School of Medicine) personnel total employment is fast approaching 9,000 people making us the second largest employer in Forsyth County. In our 806-bed facility, we had 23,545 inpatient admissions during our fiscal year 1993-94. our Outpatient Department, physicians' clinics, and other related departments received 523,672 patient visits.

Department of pastoral Care

Our Chaplaincy division joins with our health-care professionals to provide spiritual and emotional healing. With 15 to 35 chaplains present at various times, 58,747 ministries were provided to patients, families, staff and groups. Mission dollars from the Cooperative Program enabled this ministry to be carried out.

The Center for Congregational Health, in its second year of ministry as a part of our Department of pastoral Care, continues to expand and strengthen. to date thru 1993, 40 ministers have completed intentional interim training and 29 are in training. The number of churches calling intentional interim pastors continues to increase. The training of consultants for conflicted churches and leadership training for young ministers were both begun.

The Pastoral Counseling Division now operates 12 counseling centers across the state. These centers provided 26,716 hours, a five percent increase over the previous year.

In December 1994, Dr. Dewey Hobbs will retire as Director of the Department of Pastoral Care. his eleven years of leadership and ministry have brought quality and expansion in every facet of the department.

Baptist Benevolent Care Fund

Last year Baptists across our state gave $425,734 to our annual Mother's Day Offering. All of these monies went toward relieving the financial burden of scores of former patients who have little or no health-care insurance and no financial means to pay their hospital bills. The churches and individuals help make this ministry possible and we are grateful.

Excellent Financial Stewardship

In the midst of escalating health-care costs, we have a proven record of superb stewardship.

(1) The latest report of the N .C. Database Commission comparing the average of other state academic medical center charges vs. Baptist Hospital for our most frequent diagnoses reveals our charges are 21% lower.

(2) We are one of only 17 hospitals nationally with a "AA" bond credit rating.
(3) Averaging the last two years and the projection for 1994, the Consumer Price Index will average 2.8% and the Medical CPI for hospitals will average 8.9%. Baptist Hospital rate increases for the same period will average 1.8%, under both the above-mentioned indexes.

MEETING THE CHALLENGES OF THE FUTURE
The health care environment is and will continue to be changing. Baptist Hospital is proactively facing these changes on a daily basis. Below are listed several visions which have recently been or will soon be realized.

Nursing Center at Oak Summit
Opened in July 1993 this 170-bed facility offers four levels of care. it is also one of only a few nursing centers in North Carolina that provides care for ventilator-dependent patients.

Emergency Department/Dietary Building
Progressing toward a late 1995 opening, this facility will expand our ED capacity to 70,000 visits annually. It will also house three floors of patient private rooms, our Pharmacy Department, a new kitchen and 900-seat cafeteria, and a 35-bed Day Hospital.

J. Paul Sticht Center on Aging and Rehabilitation
This building will usher in a new era in rehabilitation at our Medical Center. housing a total of 128 beds, it will contain a geriatric day hospital which will aid the transition from hospital to home, inpatient rehabilitation nursing units, a psychiatric floor, geriatric research and education. Completion is targeted for 1996.

At home health care
Our Home Health Solutions provides our local region with parenteral nutrition and intravenous antibiotic therapy, chemotherapy and pain management. home Health Specialists provides nursing care, personal care and physical and occupational therapy.

Center for Research on Human Nutrition and Chronic Disease Prevention

Our continued partnership with Bowman Gray School of Medicine enables our Medical Center to provide the highest quality of research, education, and patient care. Quoting Dean Richard Janeway, "We are trying to prevent the major killers such as cancer, strokes, and heart attacks. With this facility we'll be able to transfer the information straight to the patient's bedside."

COMMUNITY HOSPITAL ASSISTANCE
Developing relationships with community hospitals such as Stokes Reynolds in Danbury and Hoots Hospital in Yadkinville enables us to assist them in lowering costs as well as providing quality hospital and outpatient care. We anticipate expanding this endeavor to include other smaller, outlying hospitals. We also have significant affiliate relationships with hospitals in Wilkesboro, Lexington, and Mt. Airy and are in the process of developing other affiliate relationships.

QUALCHOICE OF NORTH CAROLINA
Joining with BGSM and Wake Forest university, Baptist Hospital has developed a managed care plan. Our design is one which offers affordable quality health care while providing the insured freedom of choice. This plan will be opened for public enrollment beginning January 1, 1995.

A CLOSING WORD
We continue to esteem our heritage, celebrate our current capabilities, and strive to position ourselves for the future. your partnership, prayers, and utilization of our services inspires our dedication to our mission. We are grateful to God and to the North Carolina Baptist family.

Respectfully submitted,
Evelyn Garris

REPORT OF THE N.C. BAPTIST FOUNDATION

With the 75th anniversary of the chartering of the N.C. Baptist Foundation approaching, it is exciting to reflect on the fulfillment of dreams of the founding fathers. The prayerful deliberation that led to the vote in the 1919 Baptist State Convention meeting for the beginning of "a trust agency" envisioned a viable entity which would promote and manage funds given by individuals for perpetual support of several struggling institutions and the mission programs at the heart of this missionary minded denomination.

As of Dec. 31, 1993, the Foundation held $45,878.748 under management. In 1993, $1,243,217 was distributed to Baptist work and $1,196.748 was distributed to individuals for a total income distribution of $2,439,965.

The income distributions for the entire 74 year history of the N.C. Baptist Foundation totals: $7,009,154 income paid to individuals and $10,011,893 to Baptist churches, institutions and mission causes for a grand historical total of $17,021,047.

In 1993, the staff of the Foundation consisted of seven full time employees and two persons who provided part-time service in accounting and legal services. In May of 1994, Rev. Coy H. Jeans, Jr. was employed by the Foundation Board as Western

Area Manager of Trust and Endowment Development. Rev. Jeans will serve individuals in western North Carolina through estate stewardship planning to better provide for families and Christian endeavors. He will also work very closely with Associations and churches in the area. We encourage western N.C. Baptists to contact Rev. Jeans at his office in Marion at 704-652-9548. The Foundation's main office is located at 201 Convention Drive, Cary, N.C. 27511, telephone 919-380-7334.

CONVENTION GENERAL REPORT

In the Fall of 1993, the General Board staff went through a refunctioning exercise. New responsibilities and expectations have been given to each General Board staff member with an emphasis on making them consultants to N.C. Baptist churches throughout the year. Visioning/Listening Teams from the staff have been moving across our state to better determine how to meet the needs of N.C. Baptists.

N.C. Baptist Men have purchased a newer disaster relief unit, donating the older one to Michigan so that they could respond to future floods in the mid-west.

Randy Kilby was elected new president of Fruitland Bible Institute. A Seminary Study Committee was formed (response to motion from '93 Convention meeting) to study the feasibility of designating money for scholarships to Mid-American; & Luther Rice Seminaries. Churches may now designate funds for scholarships to Mid-American (it has accreditation). Further study is being conducted on the "entire picture of theological education" in North Carolina.

Many camps and conferences were held this year for youth with a new "Western Youth Conference" at Mars Hill College. Two hundred seventy-one attended; five hundred are expected next summer. A position was approved for an International Student Minister to serve at U.N.C. Charlotte. Currently there are approximately 1,700 students in the area from one hundred twenty different countries, (eight of those countries our S.B.C. can't even get missionaries into for ministry!)

We are continuing our Partnerships with the Ukraine (extended through 1996), the Prague/Czechs Seminary building project and New York. Many have responded! Our Long Rang Planning Committee adopted a theme emphasis for 1996-2000: "The N.C. Baptist Way: Living the Faith - Being the Church."

Recommendations will be made at the annual meeting to move away from the "weekend" convention and back to the older established meeting schedule, beginning in 1995.

Lee Colbert

NOTES

ABOUT THE COVER OF THIS ANNUAL:

The sketch on the front of this book was done on the inside cover of a New Testament by a seasonal farm worker during the Medical-Dental Clinic held September 4, 1992. It was given to one of the volunteers as the artist's way of saying "thank you" for the time they had spent talking together about Christ.

Proceedings
Johnston Baptist Association Annual Meeting
October 16, 1995

The 93rd annual meetings of the Johnston Baptist Association were held on Monday and Tuesday, October 16, 17, 1995 at Newton Grove and Corinth Baptist Church respectively.

The Monday session at Newton Grove began at 7:00 P.M. with pre-session music by the Association Music Council. The Call to Order was given by moderator Robert Cooke at 7:15 P.M. The "Order of Business" was adopted as stated in the program. Leon Tart of the Jonesboro church then led in the Theme Interpretation. With Jude 1:1-2 as his text, he remarked, "without a dream tonight, the JBA cannot go forward."

The Director of Missions, Horace Ricks gave his report. He spoke words of praise concerning the JBA Youth ministry, New York Partnership, and the upcoming "Listening Sessions" in our association, which he said, "is the major event of 1996". Dr. Ricks introduced Rev. J.T. Mercado who gave a summary report of the year's Migrant ministry.

Moderator Cooke shared some highlights of the Medical-Dental Bus ministry. Edwin Jewell then led in the singing of a hymn.

Rev. Lee Colbert of First Church, Smithfield, gave the General Board Report, highlighting the 1996 Listening Sessions and stating that 877 NC Baptists participated in Partnership Missions. A period of miscellaneous business followed, during which the Association Clerk, Norman Band led in the adoption of two motions from the Association Council.

> Motion One: "that having met all the requirements for membership as set forth in our constitution, I move that we receive Grace Baptist Church into full membership with the sister churches in the JBA."
>
> Motion Two: " We the association Council move the adoption of the following JBA Missions Statement: Johnston Baptist Association: Churches joining hands to evangelize, disciple, and minister through cooperation, training and fellowship." Both motions carried unanimously.

Edwin Jewell then led in a hymn and announced an associational-wide singing at Princeton the 5th Sunday night in October of 1995. Moderator Cooke then recognized visitors and new pastors. He then called the roll of churches. There were 38 churches represented. Rev. Cooke further shared his thoughts regarding his recent trip to the Southern Tier Association in New York.Former

moderators were recognized and then the Newton Grove Choir led in special music.

Dr. John Allen, of Clayton First was introduced. He gave a challenging message taken from 11 Corinthians 2:1-5. He shared some "things to remember when sharing the gospel" : the simplicity of the cross, reverence for an awesome and holy work, and humility and dependance upon God. "The absence of humility is a stumbling block to the church," he remarked. Rev. Mickey Yow led in the benediction.

Second Day: October 17

The Tuesday afternoon session began with a time of congregational singing led by Edwin Jewell. The Call to Order was made by the moderator and a welcome given by Carl Hedrick of Corinth Church.

Rev. Mark Creech of Antioch church gave the Theme Interpretation using as his text Isaiah 6: 1-8. He spoke concerning the preparation for the call. He stated, "some of us are not within calling distance."
Rev. John Mark Bachelor of White Oak church led in prayer.

Organizational Reports were then called for with several reports given; Sunday School, WMU, and Brotherhood. Edwin Jewell then led in a time of singing.

Rev. Steve Morris of the budget committee moved for the adoption of the proposed budget for 1995-96. The budget was adopted. The Time, Place,Preacher report was given by Rev. Don Price and adopted. Dr. John Allen gave the Committee on Committees report. Mr. George Smith moved for the adoption of the Committee on Nominations report. It was passed.

The Committee on Resolutions brought two resolutions to the messengers for approval: A Resolution of Appreciation to the Churches hosting these sessions and a Resolution of Appreciation to Clitus and Jean Hinton for their many years of faithful service to the JBA. Both resolutions were enthusiastically adopted. (See text of Resolutions in the Resolutions Committee Report).

Mrs. Shirley Byrd led in a Memorial Service for all our deceased members since the last meeting of the JBA.

John Allen, vice moderator presided over a period of miscellaneous business after which Edwin Jewell led in the singing of a hymn.
After recognizing any visitors, Rev. Robert Faile was called upon for special music.

Robert Cooke delivered the "Moderator's Address" using as a text

Philippians 1:3-6. He stated that the most important thing we do as an association is worship. He gave some brief comments concerning the newly adopted Missions Statement. He implored the messengers to "find out what your church is good at and encourage them to do it better." He shared a long list of activities and ministries our churches are engaged in.

Rev. Carl Hedrick gave a prayer of thanks for dinner. The afternoon meeting was adjourned.

The Evening Session began with special music presented by the "Corinth Trio". The Call to Order was then given by Robert Cooke. Congregational song led by Edwin Jewell.

A period of miscellaneous business followed in which visitors and retired ministers were recognized along with those ministers retiring this year. The Theme Interpretation was given by Rev. Phil Dietz of Pauline. Taking Hebrews 13:5 as his text, he stated that, "God is looking for people in every generation to follow Him; to stand alone with Him." Edwin Jewell then led in singing, "To Worship, Work and Witness".

A choral presentation was received well from the Corinth Church Choir. Rev. Billie Lawson of Wilson's Mills Church introduced the speaker of the evening, Mrs. Donice Harrod, WMU President, Baptist State Convention of N.C.

Mrs. Harrod shared thoughts taken from the parables in Matthew 25. She shared that we need to be prepared for what life brings to us and that faith requires risk. She challenged messengers to use the grace gifts that God has given to each, not in a spirit of fear but of power.

Moderator Cooke then recognized the associational officers and invited all the messengers to stand as church leaders along with the association officers and exhorted all to pray for one another.

Benediction was given by Rev. Bill Monroe of Pisgah church and the messengers sang a closing chorus together, "Shine Jesus Shine."

Respectfully Submitted,

Norman L. Band, clerk

DIRECTOR OF MISSIONS REPORT

The ebb and flow of life brings us once again to reporting time. I'm reminded that when the apostle Paul returned from his mission travels, he would go to the church in Antioch and report to them what the Lord was doing through the gospel.

So this brings me to reporting time in the annual meeting of the association. But you need to know that I prepare a written report for the quarterly meetings of the J.B.A. General Board.

The past year has been a busy time for Johnston Baptist Association. Meetings, office ministry, plans and programs all have a way of keeping us busy.

We had a good Medical/Dental ministry as we have for the past few summers. We commend Smithfield First and Clyde's Chapel for their excellent preparation for and ministry with the Medical/Dental bus, which, by the way, is owned by the N.C. Baptist Men. Many persons are needed to staff this ministry and both churches did a super job. Thank you!

Ministry to migrant seasonal farm workers and to some local Hispanics has gone well. We were pleased to have the Rev. J.T. Mercado working with us for fifteen weeks during the summer. He traveled many miles, witnessed to many people and established Bible teaching classes in at least three places. The churches throughout the association have provided funds, health kits, infant kits, clothes, food and various items which have been used in both migrant ministry and ministry to poor people locally.

The Senior Adult ministry continues to go well. Attendance at the rallies averages about one hundred. This year the rallies were hosted by Pisgah and Clyde's Chapel. We thank those churches for being excellent hosts. We invite people in other churches to "get on board" and attend the rallies each spring and fall.

The Youth Ministry led by Mr. Eugene Tart continues to be dynamic, spiritual and timely.

The General Board this year approved a plan to raise money for the J.B.A. Trust Fund. The purpose of which is to provide a funding base for "Missions and Mission-related" ministries. We encourage the promotion of the fund in the churches. Forms for making gifts are available.

The New York Partnership has been extended for one year. Interaction between J.B.A. and the Southern Tier Baptist Association in New York has been consistent and effective. Several churches have worked with New York churches and have gone there to do ministry. From J.B.A. the Rev. Robert Cooke, pastor of Clyde's Chapel, went to New York to represent us in their annual association meeting. We thank Robert for being an excellent Ambassador for Christ and the Johnston Association.

Director of Missions Report continued...
The new year looks exciting and challenging. We anticipate a three-day listening session with the Baptist State Convention in August, 1996. The Deacons/Pastors/Spouses Banquet is scheduled for February at the American Legion Building in Benson.

Many other functions will claim our attention. Thanks to all the churches for your cooperation and financial support. J.B.A. and the office staff are poised to serve the churches. Let us know when we can help you.

Respectfully submitted,
Horace Ricks

SUNDAY SCHOOL REPORT

Mr. Steve Siegrist, Mrs. Jackie Jones and I were your ASSISTeam (Associational Sunday School Improvement and Support Team) this year. Our focus has been on helping individuals and churches who have contacted us.

The entire team led a seminar for Princeton Baptist Church. Our focus at that meeting was on helping their teachers renew their zeal for Sunday School by reviewing teaching methods and encouraging outreach.

The ASSIST Director spoke to the monthly Sunday School workers meeting at Hocutt Memorial. The topic that evening was outreach and ministry ideas for Sunday School workers and members.

The ASSIST Director also spoke to a meeting of Sunday School workers at Oakdale

Baptist Church on the purpose and tasks of the Sunday School. We dealt with teaching methods and the importance of outreach.

In all, about seventy people were directly involved in our seminars, but many other people have consulted with us through the year.

I have enjoyed being your Director for the past three years. Thanks for your support and your interest in Sunday School.

Denise D. Cooke

MEDICAL/DENTAL BUS MINISTRY REPORT

The Medical/Dental Bus Ministry continues to develop and grow in the Johnston Baptist Association. Owned and operated by North Carolina Baptist Men, the bus has facilities for complete dental treatments and medical examinations. Equipment includes a fully functional dental chair, with suction and drills, an x-ray machine and a sterilizer.

The bus was scheduled for three clinics at Johnston Association churches in the past year. In May, members of First Baptist Church, Smithfield, held their first clinic, with seventy-seven patients seen and one hundred eight volunteers. In July, Clyde's Chapel Church volunteers hosted their fifth clinic, with twenty patients seen and twenty-seven workers. Unfortunately, due to unforeseen problems in scheduling professional staff, the September date at the associational office, to be hosted by Selma Baptist had to be cancelled.

The work of the Medical-Dental bus in the Johnston Association is overseen by a committee made up of the coordinator, the associational Baptist Men's director and representatives from participating churches. Tri-County Community Health Center provides some staff and acts as a referral agency. If you would like to be involved in this vital ministry, please get in touch with us!

Dates for Medical/Dental Bus Clinics are scheduled a year in advance. The associational coordinator and interested churches work out tentative dates for the next year. These are then calendared with the bus driver, Mr. Frank Starnes, who works out of the Baptist Men's office at the Baptist State Convention in Cary. In February, a meeting is held with representatives from each of the host churches to finalize plans and to begin preparations. Dates are already being set for the 1995-1996 church year.

If your church would like to host a clinic in your community, please contact the associational office, the associational coordinator, or the associational Baptist Men's director.

Robert Cooke, Assn'l. Coordinator

ASSOCIATIONAL MUSIC PROGRAM REPORT

The 1994-95 associational year has seen some exciting things happening in church music. We began the year by forming an Associational Music Council. The Council has met monthly to study music ministry needs in our association and to plan activities to meet those needs.

We conducted a survey and discovered that among our fifty-two churches, 56% had no choir program for preschoolers, 44% had none for children, and 33% had none for youth. These high numbers are alarming, and our Music Council has been seeking ways to improve the opportunities for church music for all ages.

On March 5, 1995 we held our first Church Music Directors' Workshop in which we shared information about resources and training opportunities.

Providing pre-session music for this annual meeting was a brave new adventure for our Music Council and their spouses!

Our next associational event will be the first annual Festival of Praise on October 29, beginning at 7:00 p.m., at Princeton Baptist Church. This unique worship service will feature music by eight of our adult choirs and is open to everyone to attend. Choir members will also furnish refreshments for fellowship following the program.

We welcome the following Ministers of Music who have joined our association this year: Robert Faile, Hephzibah, James Elmore, Clayton First and Gerald Cottone, Corinth.

Respectfully submitted,
Edwin Jewell

SENIOR ADULT REPORT

The association holds two joint rallies a year inviting all Senior Adult clubs to join together with a service and covered dish dinner.

The Spring Rally was at Pisgah Church. Melba Woodruff opened with soft music and Rev. Bill Monroe gave a warm welcome. Rev. Chad Allen, Selma Baptist, led the devotion; "How useful am I to God?" Group singing led by David Crumpler got everyone in a praise mood followed by the joyful sounds of the Pickin Parsons.

Dr. Horace Ricks shared about the partnership we have with Campbell University and promoted Assn'l. Missions Week May 22-28. Rev. Keith Walters, using a background of slides of Israel shared the importance of being "Lights to the world of lost." We learned that 56% of Johnstonians are not associated with a church. Rev. Don Price, Princeton, closed with a prayer and blessing.

Our Fall Rally was Oct. 3 at Clyde's Chapel. We opened with a welcome and a song by Clyde's Chapel Senior Adult Farmer's Choir, "We're Proud To Be." Robert Cooke challenged us to be like Abraham (Heb. 11:8) "To look where we are going."
Princeton led a Jeopardy game for fun time.

Clyde's Chapel received the banner for the most present (27) of thirteen churches represented. Rev. Danny Powell, Calvary-Dunn, was our guest speaker, asking "What now?" Impressing the need for us to be busy about our Father's work. Billie Lawson gave the blessing on the covered dish meal in the church's new fellowship hall.

CONVENTION GENERAL BOARD REPORT

N.C. Baptists are a people on mission! In the first six months of this year, 877 N.C. Baptists have participated through the Foreign Mission Board in partnership missions.

In the past three years, 362 different persons have worked with Baptists in the Ukraine. During that time, N.C. Baptists have built forty churches, constructed a seminary in Kiev, and supported one hundred mission pastors for each of those three years. Over 200 North Carolinians have traveled in the past year to construct the seminary in the Prague/Czech Republic. Last year over 1,500 volunteers from over one hundred groups participated in partnership missions with our sister convention in New York. N.C. Baptists are a people on mission!

The General Board staff continues to travel throughout the state listening to churches and associations. They will be in Johnston Association in August 1996. This process has assisted them in knowing how to best meet the needs of Baptists in North Carolina.

At our State Convention this year it will be recommended that we enter into a partnership with Baptists in South Africa, Swaziland and Lesotho. The opportunities are great! South Africa is nine times the size of N.C. with over forty million people, but only 604 Baptist churches.

A record Cooperative Missions budget of $29,750,000. will have occurred within the N.C. State Missions Offering--attempting to make it truly a mission offering. More monies have also been allocated in the proposed 1996 budget of our N.C. Baptist Schools (Wiggins Motion) in an attempt to "level the playing field" with the newly established undergraduate program at SEBTS.

The N.C. Baptist State Convention will meet this year in Winston-Salem Nov 13-15.

Respectfully submitted,
Lee Colbert

REPORT OF THE BAPTIST RETIREMENT HOMES

MAKING LIFE FOR OLDER ADULTS....

The Best of Times

As a result of the wonderful support given by N.C. Baptists, 1995 will be remembered as one of the finest years in the forty-four year history of the Baptist Retirement Homes of North Carolina, Inc. The following are some highlights from the year:

In recognition of its commitment to the spiritual well-being of the residents that it serves, Baptist Retirement Homes hired Luther Osment of Sylva, N.C. as its first full-time Chaplain. Rev. Osment's work responsibilities include ministry to the residents of the Brookridge Retirement Community in Winston-Salem and the Western N.C. Baptist Home in Asheville.

Reaffirming its commitment to the idea that retirement should be a "step up" for Older Adults, the final phase of the renovation of The Taylor House Facility in Albemarle was completed in the Fall of 1995. The renovation of The Hamilton Baptist Home in Martin County was also begun in 1995 and hopefully will be completed by year end. When the renovation of The Hamilton Baptist Home is completed, all of the facilities operated by the Baptist Retirement Homes will be "state-of-the-art."

In recognition of the changing profile of institutionalized Older Adults (47% of the "oldest old" in N.C. suffer from some form of dementia), the Young Solarium addition was completed in the Fall of 1995. The Young Solarium will house a new smaller group program designed to enhance the quality of life experienced by institutionalized Older Adults suffering from dementia.

In an effort to provide Older Adults with affordable care, a sub-acute unit was developed at the Prince Nursing Care Center in Winston-Salem...a unit where frail Older Adults can receive IV therapy, infusion, wound care, and stroke and bone fracture rehabilitation outside of a hospital setting.

In response to the need to provide quality long-term care services to the ever growing number of frail Baptist Older Adults who may not need institutionalized care, the Baptist Retirement Homes developed a new home and

community based service program, In Home Care, Inc....the new service designed primarily to extend the amount of time that frail Baptist Older Adults can remain in the home environment.

Thank you North Carolina Baptists for helping us make life for Older Adults...**The Best of Times!**

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

For six-year-old Malinda, darkness brought sleepless nights listening to her mother's boyfriend beat her brother and sister - and praying she wouldn't be next, watching her mon choose her lover's whims over her children's needs, and finally, being abandoned on Christmas Eve in pouring rain on a dirt road. Her darkness, more than just a light switch clicked off, swirled with pain, fear, confusion and despair.

Today, a bright-eyed teenager living at Broyhill Home, one of four Baptist Children's Homes residential campuses, Malinda finally sees light. After becoming a Christian in 1992, she can forgive her mon and let go of her painful past. "Learning to deal with my issues is a lot easier since I became a Christian," said Malinda. "I'm happy here at Broyhill. The people believe in me, support me and are here for me."

Believing in children and families, offering light to pierce their darkness has been Baptist Children's Homes' goal since its beginning 110 years ago.

Serving 1,513 children and families in 1993-94 in 12 facilities across the state, BCH provides intentionalized programs of residential group care, emergency care, therapeutic camping, maternity care, teenage mother/babies, model day care and behavioral change for girls. Gaston County emergency care cottages in Dallas, operated on a yearly contract basis, were not renewed with BCH following Gaston County's decision to change the facilities' direction to a level of service BCH doesn't provide.

Commemorating 110 years of ministry, BCH published Intent to Serve, a history depicting the last decade of BCH's child-centered, family-focused services. Each church was to receive a complimentary copy in the Fall of 1995.

Founded in 1970, the Baptist Maternity Home in Asheville celebrated in Oct. 25 years serving over 900 young, unmarried, pregnant women who were given a quiet, supportive atmosphere to make decisions about their future.

Baptist churches, through the Cooperative Program, designated gifts and the Thanksgiving Offering funded about one-fourth of BCH's $12 million budget with gifts totaling $2,934,304.

Trustee Jim Goldston held his sixth annual Goldston's Carnival for Children raising $28,633 and providing two fun-packed days of rides, games, entertainment and food for children and area residents. "There is nothing more important in this life than children," said Goldston. "This is just one thing we can do to show our commitment, to put our feet to our prayers."

Baptist Children's Homes Report.....

This year, the Friends of Children committee added a twist to their annual spring bus tour by pulling on gloves and work clothes to help beautify Odum Home in Pembroke and Cameron Boys Camp near Southern Pines.

A team of volunteers from Denver Baptist church worked at Broyhill Home clearing brush, painting inside a cottage and building a storage shed; and at Kennedy Home tearing down an old gym built in the 1930's, restructuring an old picnic shelter into an arts and crafts center, removing old heating equipment from Biggs cottage and renovating family conference rooms in the new gym.

"We pray about these kids, and we pray that we will be an example," said Allen Homes, Denver Baptist's mission coordinator. "This is more important than any building or construction work."

Trustees, intent on strengthening BCH's leadership position and continuing its tradition of giving light to families and children, approved a $10.1 million campaign, "Light Their Way," to raise money for special projects, operational needs and endowment. The campaign will run September 1995-May 1997.

Many children, like Malinda, suffer in darkness. Many families linger in pain waiting for answers, waiting for help. Because of Baptists' support, BCH is able to "Light Their Way," offering hope, security and love.

THE BIBLICAL RECORDER

The headlines each day--Bosnia, O.J. Simpson, interest rates, tax overhaul, etc.--often include Southern Baptists. The secular media show special interest in our conflicts but all too often do not tell the whole story of the good things Baptists are doing. The Biblical Recorder tells the whole story--the many positive things people are doing in their churches along with the negative issues which can't be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. In the 162 years of state Baptist papers in North Carolina, never was the Recorder more needed than now for people to have the truth.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where many think they know the answers to the issues only to discover they do not. It is impossible to know in depth what is happening when we depend on "60-second sound bites" of news on television or radio.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The Biblical Recorder should be in every Baptist home in N.C. Your support as a subscriber and reader, coupled with our encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Recent and anticipated increases in mailing costs makes CNS a greater value in 1995-96 than when it was started in 1990.

The paper focuses more and more attention on N.C. Baptist with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed. With all the stress and disturbance in the world, "The North Carolina Baptist Way" has become even more important to us than ever before.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, Contact: The Biblical Recorder, 232 W. Millbrook Road, Raleigh, N.C. 27609 Phone: (919) 847-2127

NORTH CAROLINA BAPTIST FOUNDATION, INC.

The messengers present at the Baptist State Convention meeting 75 years ago, when the establishment of the Baptist Foundation was approved, believed that the services to be provided by the Foundation could benefit both the individuals who would use its services as well as Christian purposes for which the Convention had organized many years earlier.

With a well trained and dedicated staff, the Baptist Foundation is now in position to assist any Baptist church member who has a desire to preserve their estate for their families and provide greater financial service to their church, association, missions, Baptist institutions or the Convention in its program or work.

Those who have become involved with the foundation thus far, many of whom no longer are alive today are providing critically needed resources for either their family members and/or the Christian causes they dearly love. In many instances their use of a trust or endowment fund has helped reduce income and/or estate taxes and increased the value of assets they left for their families at their death. In addition, they continue to provide for sharing the gospel with the income from endowment funds they created while they were living.

Many North Carolina Baptists are today enjoying the benefit of increased retirement income through the creation of an annuity trust with the transfer of property or other assets which the Foundation sold and invested under guidance of professional managers. When these trusts were created, the individuals were provided tax benefits which enhanced their estates. In most cases, the income they now receive is greater than that received prior to starting the trust. At some future date of their choosing, the assets in trust will serve the Lord in ways chosen by the donors.

During the past year, an area manager was employed to serve the western portion of the state. A twelve-minute video, "Pillars of the Church", was prepared which shares through personal example how the Foundation can serve every church member. A copy of this video is available by request in writing to 201 Convention Drive, Cary, N.C. 27511. Personal and confidential assistance is available by calling our office at 919-380-7334 or written request directed to the above address.

The total assets under management by the Foundation at the end of 1994 were $47,312,575. a total of $1,241,756 was paid to Baptist churches, institutions and mission causes during 1994. The amount paid to individuals from trusts, which will eventually pay to Baptist causes, was $1,499,098 during the year. During the first six months of 1995, the total performance of the charitable endowment funds under management was 15.5% (annualized).

REPORT OF THE NORTH CAROLINA BAPTIST HOSPITALS

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churches on N.C. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our founding fathers. In the midst of changing health-care norms, we have not, nor will we, deviate from this mission.

"THE BAPTIST"

Affectionately known to many simply as "The Baptist", our hospital now employs 5,544 members who comprise our healing team. We are joined with Bowman Gray School of Medicine and thus The Medical Center has over 9,000 employees making us the largest employer in Forsyth County. In fiscal year 1994-95, our 806-bed facility provided care for 23,712 inpatient admissions. Our rapidly growing Outpatient Department provided care for 557,511 patient visitors.

A NEW DIVISION: PASTORAL CARE AND CHURCH RELATIONS

In May restructuring created a new division with the consolidation of the departments of Pastoral Care and Church/Community Relations. This division consists of four ministry components which are listed below with a brief ministry synopsis:

Department of Chaplaincy And Pastoral Education

Through spiritual and emotional healing to patients, families and staff, approximately 55,000 ministries were provided by our chaplains.

The Center For Congregational Health

This rapidly expanding ministry to churches, pastors and staff, and congregational leaders also enables the training of intentional interim pastors. Also, training is provided for leadership and church consultants. Workshops and other events are held as well.

Department of Church and Denominational Relations

This department serves as the liaison between Baptist Hospital and the churches, associations, and convention, as well as other church groups. By facilitating appointments, policy interpretation, understanding of our health care services, this function helps keep our vital bond with N.C. Baptists strong. Mission dollars for benevolent care through this department in excess of $452,000 were given by Baptists to the Mother's Day Offering. This mission effort helps relieve the financial burdens of patients who have little or no healthcare insurance. This is truly a ministry of renewing hope in their lives and is a source of great joy for us.

Pastoral Counseling

With increasing requests from churches and associations across the state, this ministry continues to expand. Our thirteen strategically located counseling centers provided 27,000 ministry hours last year.

Points of Excellence and Progress

***Financial Stewardship** - Annually Baptist Hospital's rate increases consistently are less than both the medical consumer price index for hospitals and general inflation. The most recent N.C. Database Commission report comparing the average of charges

at other instate academic medical centers for our most frequent diagnoses reveals our charges are 21% lower. For all hospitals statewide we are 7.7% lower on those same charges, despite treating the most critically ill patients from across the state.

***QualChoice of N.C.** - A managed care plan providing quality healthcare and patient physician choice. Established by the N.C. Baptist Hospitals, Inc. and Bowman Gray School of Medicine and Wake Forest University, QualChoice is now expanding to employers in our region.

***Accreditation With Commendation** - This distinction was awarded us by the Joint Commission of Accreditation of Healthcare Organizations. With a grade of 96 we earned the distinction as one of America's most highly rated hospitals.

***Emergency Department/Dietary Building** - With a Fall 1995 opening date this 300,000 square foot facility will expand our Emergency Department capacity to 70,000 visitors annually. It will also house a 35-bed Day Hospital, as well as a 900-seat cafeteria, and will double the proportion of private beds available to patients.

***Comprehensive Outpatient Rehabilitation Facility** - A 64,000 square foot facility scheduled for completion in the Summer of 1996.

***Sticht Center on Aging and Rehabilitation** - Housing a geriatric research and education center, geriatric day hospital and inpatient acute rehab beds, geropsychiatry, and adult acute psychiatry, a planned completion and opening date for this center is the Spring of 1996.

***Home Health Solutions and Home Health Specialists** - Specialists provide at home care such as intravenous chemotherapy, pain management, nursing care, and physical and occupational therapy.

***Community Hospital Assistance** - Baptist Hospital continues to develop relationships with hospitals and physicians in other communities inviting them to join our expanding healthcare delivery system.

A CLOSING WORD

Historical methods of delivering healthcare are changing in significant ways. We are constantly seeking to position ourselves to develop the methodologies, services, and delivery systems to meet these challenges. In the midst of the multiplicity of changes remain several treasured, time tested constants. Among these are our commitment to excellence and compassion in providing care, the demonstrated support of N.C. Baptists, and most significantly, the providence of our Lord. Trusting in these, we move forward boldly and confidently into the future.
